

AMERICAN KENNEL CLUBSM

Multiple-Sire Litter Registration Application Packet

Effective September 1, 2000, the American Kennel Club will register litters with more than one sire. Registration depends on AKC® DNA parentage verification. Copies of AKC DNA Profiles for the sire(s), the dam, and each puppy from the sire(s) and dam must accompany a Multiple-Sire Litter Registration Application.

This packet includes:

2 copies of the Multiple-Sire Litter Registration Application

Use this application to provide information about the sire, dam, and the puppies from this sire and dam that you want to register. Attach copies of the required AKC DNA Profiles to each application.

If you need additional copies of the application, you may use photocopies or download additional forms from our Web site: www.akc.org

Special Requirements
