

# Play the Name Game!

The sky is virtually the limit when choosing your dog's AKC-registered name.

Below we've pictured the six most popular breeds registered with the AKC and listed brief information about where they're from and the jobs they were bred to do. Choose a name for each of the following dogs. Use the information given to guide you in deciding on the perfect name for your dog, or come up with a name on your own. (There are no wrong answers, but names must be 25 letters or less.)
