

RULES FOR THE 2023 AKC TRICK DOG COMPETITION Juniors

Attention Juniors! We are pleased to announce the 3rd Annual Juniors Division for the 2023 Virtual AKC Trick Dog National Competition.

The Juniors competition is for handlers 17 years old and younger.

How it works: Submit a video of your dog performing the tricks for the highest level of Tricks title the dog has earned from AKC (Novice, Intermediate, Advanced, Performer, or Elite Performer).

- The dog must already have a Trick Dog title (in your hands by the entry opening date of August 1, 2023) to enter the competition. For the Junior division only, the title required for entering may be Novice, Intermediate, Advanced, Performer, or Elite Performer. (The regular Tricks competition is for Elite Performer only and there are separate rules).
- The Juniors division is for handlers 17 years old and under.
 - Age divisions for Juniors are 1) 9 years and under.
2) 10 to 13 years old, and 3) 14 to 17 years old.
- Juniors do not have to perform a routine, unless the dog is at the Elite Performer level. This means that in all classes but Elite Performer, Juniors

may submit a video of the dog demonstrating one trick after the other with no story.

How it works: Submit a video to AKC of your dog performing at least 10, and not more than 15 tricks. The tricks may include props and music.

Juniors may use a new video, or the video submitted to AKC to earn your title. Videos submitted to the 2021 or 2022 competition may not be submitted for the 2023 competition. The video for Juniors may be one continuous video, or short videos of each trick may be edited together.

Juniors may submit only one video (per dog) to the competition. Juniors may enter up to two dogs with one video for each dog.

- Handlers may wear costumes; dogs may wear a decorative collar or neck ruffle, but they may not wear costumes.
- Dogs may **not** wear prong/pinch collars, e-collars, or head collars in the routine. Tricks should be performed off-leash.
- Your tricks will be judged based on:
 - Fluency (accuracy of tricks, difficulty)
 - Handling skills
 - Entertainment value
 - Creativity
 - Overall impression

When: To enter, submit your video between Tuesday, August 1, 2023 and Monday, October 2, 2023.

Judges will judge the submissions and the winner will be announced in November 2023.

Entry form: The entry form must include:
