Complete the information below for each dog involved in the parentage evaluation. Use additional sheets as necessary. Parentage evaluation will not occur without the signature of the owner of record for registered dog(s) or party who submitted the sample. The signature requirement may also be satisfied by attaching a letter of consent from the appropriate party. Parentage evaluations are not available for litters born prior to January 1, 2000. Unregistered dogs/puppies must be positively identified by microchip or tattoo to have their DNA profiles associated with an AKC registration number at a later date.
