

2021 American Kennel Club Pointing Breed National Gundog Championship

Day 5

Camp Robinson near Conway, Arkansas

March 1, 2021

Tom Maneely

Monday finally gave us a break from the wet weather we have been enjoying for the last few days. The morning temperature was in the lower 40's and only rose into the lower 50's in the afternoon. The skies were cloudy for the morning and started to breakup giving way to partly cloudy by the end of the day. Throughout the day the winds were very light, mainly from the southeast. We still got to enjoy the mud but that also improved through the day.
