

2021 American Kennel Club Pointing Breed National Gundog Championship

Camp Robinson near Conway, Arkansas

February 27th 2021

Tom Maneely

Saturday morning began with the temperature at 45 degrees, under overcast skies, and a very light breeze. The temperature would only rise into the lower 50's during the day. The normal 8 AM breakaway was delayed due to fog limiting visibility until 8:30 AM. Thunderstorms were predicted for the area to begin around 3 PM and this time the weatherperson was correct. With the delay in the morning and thunder starting just as we were about to start the first afternoon brace of dogs, the afternoon running was suspended.
