

2021 American Kennel Club Pointing Breed National Walking Gun Dog Championship

Day 2

Camp Robinson near Conway, Arkansas

March 5, 2021

Tom Maneely

The second day of the American Kennel Club Pointing Breed National Walking Gun Dog Championship featured quite a change in the weather. Where it was quite warm on the previous day there was a chill in the air all day. The temperature began in the upper 40's and would only rise into mid 50's in the afternoon. The skies were cloudy all day. Showers were predicted but did not materialize during the running. The humidity was very high all day. That, plus a wind of around 10 MPH made for a chill that went right through a person. Not one of the dogs were complaining about the conditions.
