

2021 American Kennel Club Pointing Breed National Walking Gun Dog Championship

Day 4

Camp Robinson near Conway, Arkansas

March 7, 2021

Tom Maneely

The 4th day of the Championship dawned to a brisk temperature that measured slightly above freezing although the water hose at the dog kennel was frozen. Clear skies and a very light winds much like the day before greeted us. Under the bright sun temperatures quickly warmed rising into the mid 60's by midafternoon. The roads around the area used by the dog wagon had gone from very muddy a couple of days earlier to dusty by mid-morning. The ample water on the course also had largely dried but most low areas remained muddy.
