Read on the proposed amendment to **Chapter 3, Section 3**, of the *Rules Applying to Dog Shows – Dog Show Classifications*, which inserts the proposed new Bred-by-Exhibitor Puppy Class into the list of regular classes. It also adds language to clarify the puppy classes and the 12-18 month class may be divided.

This proposal is contingent on delegate approval of the new Chapter 3, Section 8-A to create the Bred-by-Exhibitor Puppy Class. Rejection of the proposed Bred-by-Exhibitor Puppy Class would require amendment to this proposal.

*This amendment was inadvertently omitted from the March 2020 Delegate Meeting.*

Read on the proposed amendment to **Chapter 2, Section 10**, of the *Rules Applying to Dog Shows – Making Application to Hold a Dog Show*, which generalizes the language by removing the reference to a form and whether the futurity or sweepstakes will be open to nonmembers, providing flexibility to remain consistent with any modification to the application procedures without further amendment to the Rule.

Read on the proposed amendment to **Chapter 16, Section 6**, of the *Rules Applying to Dog Shows – Championships*, which assigns the same logic to GR CH points as CH points at independent specialties with inter-variety competition as defined in Chapter 16, Section 3. It also inserts language into the section defining that at independent specialty shows for breeds divided into recognized varieties and offering a Best of Breed competition, the dog awarded BOB would receive the highest number of GR CH points awarded in any variety at the specialty show. The dog awarded BOS would receive the highest number of GR CH points awarded in its sex in any variety at the specialty show.
