AMERICAN KENNEL CLUB®

Canine Legislation Position Statement

DEBARKING

Debarking is a viable veterinary procedure that may allow a dog owner to keep a dog that barks excessively in its loving home rather than to be forced to surrender it to a shelter. Debarking should only be performed by a qualified, licensed veterinarian after other behavioral modification efforts to correct excessive barking have failed. As with other veterinary medical decisions, the decision to debark a dog is best left to individual owners and their veterinarians.
