Dear Friends,

It is my pleasure to welcome you to the 27<sup>th</sup> American Kennel Club National Obedience Championship (NOC) and the 8th American Kennel Club Rally National Championship (RNC).

2021 will be the year we remember as the time we emerged from a pandemic that upended our lives – yet bonded us to our dogs more deeply than ever before.

This year, the National Obedience Championship features our third-highest entry ever: 142 dogs from 31 states, representing 46 breeds. Our Rally National Championship competitors include a huge entry of 500 dogs and 105 breeds, from 41 states and Canada. We welcome every one of you, and we thank you for being with us to exhibit the beauty and teamwork of AKC Companion Events. Your dedication to training and trialing during unprecedented circumstances proves that the human-canine bond can be tested, but never broken.

The American Kennel Club is grateful to our exhibitors, volunteers, judges and supporting clubs for helping us bring these incredible competitions to life during exceptionally challenging times. Every one of the dogs and handlers in our rings represent the pinnacle of success in AKC Rally® and Obedience throughout the United States. This weekend, each sport will crown only one AKC National Champion. But when the competitions have ended, remember that the dog you take home is always the winner of your heart.

Are you ready? Forward!

Good luck and more than anything, have fun.

Dennis B. Sprung

## AKC Rally® National Championship Judge

### Mrs. Barbara S. Arine – Lompoc, California

Barbara has been an AKC Rally judge since 2005 and a Non-regular Obedience judge since 2015. In addition, she is a Canine Good Citizen Evaluator, a Farm Dog Certification evaluator since 2017 and in 2019 became an AKC Temperament Test evaluator. A retired System Safety Engineer and Ergonomist, she has worked on the Space Shuttle and International Space Station as well as numerous missiles, rocket and satellite programs.

She is a lifelong lover of dogs and remembers that her family always had dogs starting with a Rough Collie then German Shepherd Dogs and

GSD mixes. Eventually, she was drawn to Border Collies and after almost 40 years they are still her breed of choice. Her earliest introduction to Obedience was with community Obedience classes in the Los Angeles area. After moving to Santa Barbara, she trained with the Los Padres Obedience Club (LPOC) where her instructors were AKC Obedience judges. While a member of LPOC, she held all elected offices as well as serving as Training Director and Trial Secretary. Her introduction to Rally was a serendipitous coincidence. In 2000 she attended a Dog Trainers seminar in Illinois and Rally was just being introduced by Bud Kramer. It was truly a “lightbulb” moment seeing it as a great way to get more people interested in training their dogs because of its fun, engaging and less formal style. 20 years later, she is still an ardent proponent of Rally.

Barbara and her husband share their home with five Border Collies, a small herd of sheep and 2 semi feral cats. In addition to judging, she currently teaches and presents Obedience and Rally seminars and workshops, has been a Red Cross Pet First Aid instructor, trained service dogs and is active with Therapy Dog visits. She shows her dogs in Obedience, Rally and Herding, and has earned multiple high in trials in each venue. She has also shown in Conformation with three home bred Champions. A member of the Lompoc Valley Kennel Club, she serves on the Board of Directors and as the Obedience and Rally Chair. She is also a member of the Inland Empire Herding Dog Association and Australian Shepherd Club of America.

Barbara would like to thank the AKC for inviting her to judge at the Rally National Championship and extends best wishes and congratulations all exhibitors at the 2021 AKC Rally Nationals.

Good Luck, keep well and stay safe!

## AKC Rally® National Championship Judge

### Ms. Marina R. Caro – Gallatin, Tennessee

Marina Caro has owned dogs for over 50 years. She was born and raised in Baltimore, Maryland. Upon moving to Middle Tennessee in October of 1997, she became a member of a local AKC dog training club and has been involved in dog sports ever since.

Marina became interested in Rally Obedience in the year 2000. This is five years before Rally became recognized by the AKC as a titling sport. In 2005, she began showing and titling her dogs in AKC Rally. In fact, her Doberman, Brooke, took 1<sup>st</sup> place in Novice B out of 109 Novice B dogs at the Cluster in Louisville, Kentucky that year. In 2011, Marina became an approved Rally judge.

Dogs are a hobby for Marina. However, along with being an AKC Rally judge, she is also a non-regular Obedience judge and an AKC Coursing Ability Test judge. She has trained and showed dogs in Obedience, Rally, Agility, Tracking, Conformation, Lure Coursing, Coursing Ability Tests, Fast CAT, Dock Diving, CWA Whippet Straight Racing and Oval Track Racing. Currently, she is training two of her dogs in AKC Scent Work.

Marina has put AKC titles on Dobermans, Whippets, Italian Greyhounds, a Rhodesian Ridgeback, a Pembroke Welsh Corgi, and a Canine Partner. She began her love for the sport of Rally when she was a co-owner of the first dog day care center in Nashville, Tennessee, Pup Scouts Day Camp, from July 2000 to December 2002.

As a judge, Marina enjoys watching the teamwork and bond between handler and dog when they are in the ring. As an exhibitor and trainer, she loves the feeling she has when in the ring, on the field, or on the dock with her dogs.

Marina and her husband, Tim, live in Gallatin, Tennessee with four Whippets, two Italian Greyhounds and a Canine Partner.

Marina is honored to be invited to judge the 2021 AKC Rally National Championship. She wishes all exhibitors the best of luck in the Rally rings.

## AKC Rally® National Championship Judge

### Ms. Josie McAuliffe – Montgomery Village, Maryland

Since the age of 6 years old, Josie McAuliffe has had the pleasure of living with and loving dogs, 10 dogs (so far) in her life. Eight of these dogs she adopted and six of these were mixes of shepherds or retrievers. Currently, two black Labrador Retrievers, and two German Shepherd Dogs make up her pack.

Josie first saw a Rally course in 2006, but initially thought it was too difficult. Therefore, instead of pursuing Rally titles, she worked hard on Obedience exercises, and earned her first CD on her first competition dog, Missy, an adopted black Flat-Coated Retriever. Realizing that moving up to the next level in Obedience would take some time, Josie enrolled in an

AKC Rally class. Soon she was hooked! Next, Josie started a Rally training group to help train her ring-shy GSD. Before she knew it, she was teaching Rally classes and judging Rally for 4-H kids. When her Lab, Xena, earned a CDX in 2015, Josie applied to become an AKC Rally judge. One of her favorite parts of being a judge is designing Rally courses that are challenging, yet allows the teams to move fluidly together. Josie also enjoys watching talented dogs and their loving owners navigate her course, working together to do their best as a team.

Since those early days of Rally, Josie has competed in Rally and Obedience with all her dogs, and she has competed in the Rally National Championship several times. She recently earned a RACH with her black Lab, Xena and a Utility title with her long-haired GSD, Atlas, who was adopted as a puppy from The Guiding Eyes for the Blind. These two titles were on her list of lifetime goals and earning them was a very joyous accomplishment.

Currently, Josie is working to become an AKC Obedience judge while continuing to compete in Rally, Obedience, Dock Diving and Tracking with her dogs. When not judging, competing in dog sports, or working full-time as a research scientist at a pharmaceutical company, Josie enjoys camping and hiking with her husband and four dogs.

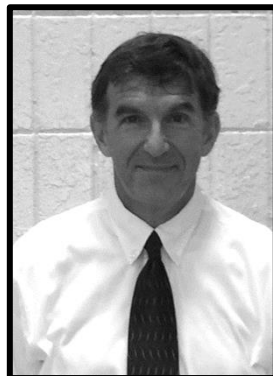

Josie would like to wish all the RNC teams good luck and encourages them to enjoy their day at the 2021 AKC Rally National Championship with their *very* special dog. You all have worked very hard to be here. Cherish these moments that you will share with your special dog this weekend!

## AKC Rally® National Championship Judge

### Mr. Walter O'Brien - Fort Worth, Texas

Walter started with his first Pembroke Welsh Corgi in 1996 participating in both Conformation and Obedience. Although he first began showing in Conformation, he seemed to be very interested in Obedience in both a competition and an aid to be the leader of the pack.

Walter's work-related travels through the years has given him the opportunity to exhibit throughout the country, but in 2001 in Flagstaff, Arizona, he discovered Rally at the Flagstaff Kennel Club shows and it was the beginning of a rewarding journey. The journey was not smooth as he says, "I really wasn't very good at it at first." but that was only temporary. He finally decided to enjoy the sport; he needed a good instructor and the dedication to put in the work needed to be a better exhibitor. When AKC Rally became a regular titling event in 2005, Walter figured it all out and by May 2005, he showed the first Pembroke Welsh Corgi to earn the RAE title; who is also a Conformation Champion and has earned a CD, RAE3 and HT.

When his work took him to Warner Robins, GA, Walter started teaching Rally in 2006 for the Macon Kennel Club and he taught there for almost 10 years. During this time, he was able to take his engineering background and use it to expand his love and knowledge of Rally. During that time, he also was able to use his Rally knowledge in Obedience to earn the CDX title on multiple Pembroke Welsh Corgis. While he enjoys the challenge of the Obedience ring, his heart always drifts towards the Rally ring.

Walter has taught Rally Seminars in the Sun Belt States and judges throughout the country. He enjoys being able to show his Pembrokes, as well as the comradery of the Rally community wherever he goes. He has been seen giving impromptu lessons at Rally trials in the hopes of seeing competitors succeed in their endeavors.

Walter showed the first Pembroke Welsh Corgi to earn the RACH title, and has earned a RACH with a second Pembroke Welsh as well. Along his journey he has titled six other Pembroke Welsh Corgis to Rally titles including his first CDX Dog. Walter still shows in Conformation and has been seen at times in the Herding arena, having titled four Pembroke Welsh Corgis in Herding.

Walter lives in Fort Worth, Texas and works as an Aerospace Engineer. He is a member of the Pembroke Welsh Corgi Club of America, the Atlanta Kennel Club, the Lone Star Obedience Club, the Pembroke Welsh Corgi Club of Southern California, the Pembroke Welsh Corgi Club of Greater Atlanta and the North Texas Pembroke Welsh Corgi Fanciers.

Walter is honored to have been chosen to judge the 2021 AKC Rally National Championship. He wants to congratulate all the teams for their successes that brought them here and wishes all of them the best of luck!

## AKC Rally® National Championship Judge

### Mrs. Leslye Pinnell – Lawrenceville, Georgia

Leslye has always been passionate about animals. She grew up in Namibia, Africa in a dog and horse show family. She was involved in the show scene from a very early age. Her family had German Shepherds and Rhodesian Ridgebacks and Leslye spent hours training and showing.

After getting married and moving to the city she pursued breeding and showing Bull Terriers. When she returned to the USA, she brought two of her breeding stock with her.

They went on to have very successful show careers in this country.

In the early nineties, she switched breeds to Schipperkes. She showed in Conformation and finished Champion titles on a few Schipperkes. Wanting more of a team connection with her dogs the sport of Obedience got her attention. By then, Border Collies were her breed of choice. She laughingly admits that she did earn an expensive CD on one of her Schipperkes! She says, “It took a while, I was new in the game, and Schipperkes can be a bit independent.”

At this time, Rally was just an idea a few people had. Fashioned as a “dressage” for dogs, a demo was shown at the Mighty Mite Match in Raleigh, and Leslye was fascinated, and eager for the sport to develop.

After years of obedience, she and her husband purchased a small farm and imported some Border Collies from Scotland, Ireland, and Wales. They were successful herding competitors and bred some very nice working dogs. After her husband died, the farm was sold, and she moved to the suburbs. Still wanting to be involved in dog sports, she was given a 9-year old Border Collie and trained and competed with him from a CD to a UD before he passed away at the age of 11. As far as dog sports go, she has titled dogs in most venues. In addition to Obedience and Herding, she has earned titles in Flyball, Dock Diving, Barn Hunt and Scent Work.

By the time Rally was going strong, Leslye jumped full steam into the sport, putting titles on Border Collies, Schipperkes, a Catahoula and even a Smooth Collie that she co-owned. Leslye could always see the potential of Rally and how it attracted more and more people to the sport. No one was more excited when Rally became a stand-alone sport with its own National Championship.

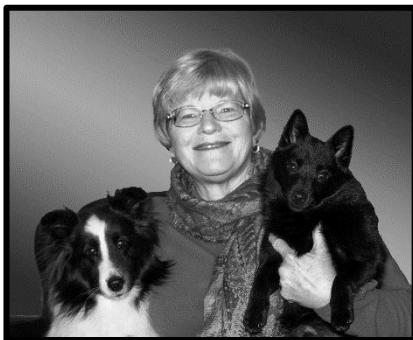

In 2011, Leslye became an Obedience and Rally judge. She says, “Rally is so much fun to judge. Handlers and dogs seem to love it and it is a very friendly sport for all to compete in.”

Leslye is actively training and showing her Border Collie, Rocket, in between judging assignments. They recently finished his RM title and she is now working towards her UD and RACH titles. She feels the RACH is a lofty goal and will be very proud when she achieves it. She is very excited to be judging at the AKC Rally National Championship. She says, “I know I will see some really amazing teams at the RNC and judging it is such an honor.”

**AKC Rally® National Championship Judge**  
**Dr. Hallie A. Ray – Madison, Wisconsin**

As a middle-schooler, Hallie tried training her family's adopted stray dog using instructions from a little paperback book. They didn't get very far. Years later, she attended her first dog show, researching breeds before buying a purebred puppy. She happened into the Obedience trial building and was fascinated by the performances. The "little Collies" were her favorites, and within a few months she had her first Sheltie, Rusty. Hallie and Rusty earned their first CD leg in the Houston Astrohalla in a Novice A class of 56 dogs. Winning a runoff for fourth place, Hallie was permanently hooked on the sport. Rusty eventually earned a UD, with HIT and OTCH point wins along the way.

A few years later, the Rays added a show-quality Sheltie, and bred under the kennel name Draco. Over the next 15 years they showed in Obedience, Conformation, Agility, and Herding. Hallie earned 9 UDs including two on Champions, plus several more CDXs, and coached her husband David to an OTCH. She completed her own OTCH on Molly Brown the same week she was approved as an AKC Novice Obedience judge. Living in Virginia at the time, she judged in the mid-Atlantic region, and was approved for Utility in 2002.

After Molly's OTCH, Hallie wanted to find exactly the right Sheltie...or maybe a Papillon. Luke the Papillon earned his CH and UD titles. Then, training and showing took a back seat for a while, but Hallie earned her first Rally titles soon after AKC began its Rally program.

Hallie didn't pursue Rally judging at that time because she didn't want to increase her judging schedule. Retiring from a career teaching anatomy and physiology to nursing students and moving with her family to New Mexico, she discovered clubs out west needed judges who could do both Obedience and Rally. She completed the requirements and was approved for Rally in 2012.

Retiring from a second career in 2019, Hallie and her family moved to Madison, WI, with two Shelties. Once again, Hallie wanted exactly the right Sheltie...or maybe a Schipperke. Puppy Pieter came home in October 2020 and will someday be in the Obedience and Rally rings. Hallie's current competition partner is Sheltie Zia UDX OM RM, who qualified for the 2020 AKC RNC. Unfortunately, COVID interfered and they couldn't attend. Hallie looks forward to pursuing Zia's RACH this year and competing in the 2022 AKC RNC.

Over the years, Hallie has been a member of several Sheltie clubs including the ASSA and has been an active member of Galveston County Kennel Club, Richmond (VA) Dog Obedience Club, Sandia Dog Obedience Club, and now Badger Kennel Club. She has served on club boards and show committees, as newsletter editor, and as instructor at all levels. She particularly enjoys teaching ring preparation classes and seminars. "You can't play the game if you don't know the rules!" She wishes all teams the best of luck and reminds them that each exhibitor gets to bring home the best dog at the show--their own!

## AKC Rally® National Championship Judge

### Dr. Karen Westerfield Tucker – Walpole, Massachusetts

In comparison with many judges, Dr. Karen Westerfield Tucker is relatively new to dogs and dog sports since she did not grow up with dogs. In 2002, Karen and her husband (who did not grow up with dogs either) adopted their first dog, an adult Pembroke Welsh Corgi, principally because her husband was interested in doing therapy work with him.

A condition of the adoption was a course in pet obedience, and Karen took “Dylan” for basic training. Before every session of their class, she observed a man in their ring doing what she thought were amazing things with his dog. She always tried to get to class early to watch them work, only later learning that they were practicing Utility Obedience exercises. This unknown man was her inspiration for getting into Rally and Obedience. She learned then to be aware that persons watching her train her own dogs could inspire the participation of others in dog sports.

After a few years, she began training Dylan for competitive Obedience, and entered him in Rally for the first time in 2007. Over the years, two other Pembrokes came into their home, and eventually all three dogs earned the RE title. Her second Corgi earned the RAE and Master titles at the grand age of 12, and the other was working toward her RAE and Master titles as well as her final UD leg when she died unexpectedly from hemangiosarcoma. Karen is currently teaching Rally and other skills to their two-year-old Icelandic Sheepdog and to their almost six-month-old Pembroke puppy. In addition to Rally, she has placed titles on their dogs in other companion and performance events: Obedience (three CDX, one UD), Tracking (two TD, one TDX), and Herding (two HSAd).

Karen became a regular status AKC Rally judge in November 2017 and is currently a provisional Open Obedience judge. Even though judging is very part time for her—in “real life” she is a professor at Boston University (Massachusetts)—she very much enjoys designing Rally courses that are fair and flowing, yet also challenging. She finds great inspiration in judging those teams whose partnership is very much in evidence and who “dance” together through the course.

She is a member of the Mayflower Pembroke Welsh Corgi Club, the Icelandic Sheepdog Association of America, the Northeast Stockdog Association, and the Tracking Club of Massachusetts. Karen oversees Rally and Obedience run-thrus at her local training facility where occasionally she also teaches Rally classes.

## AKC Rally® National Championship Judge

### Mr. Ted Walshesky – West Mifflin, Pennsylvania

Ted was born and raised in Pittsburgh, Pennsylvania and continues to live there today. One day in the seventies when he came home from work, he found his wife on the front porch with a puppy and thus began his journey into dog sports. In the early days, the entire family would pile in the car and off they'd go to a match. They would put up a pop-up tent, have a picnic and spend the entire day exchanging training techniques, making friends and building camaraderie among the exhibitors.

Since that time Ted has trained and shown Labrador Retrievers, and has earned multiple OTCH's, HIT's, HC's and 200's along the way. As a member in good standing of Golden Triangle Obedience Training Club in Pittsburgh for more than 40 years, he held many positions including president, vice president, secretary, etc. However, the one he most enjoyed and benefited from was that of instructor. This position allowed him to share his knowledge and love of the sport with new, as well as experienced handlers. At the same time, he continued to learn from them while working toward his next goal of becoming an American Kennel Club judge.

Ted has had the honor of being an American Kennel Club Obedience judge for over 35 years. He began showing in Rally shortly after its inception and, soon thereafter became a Rally judge. Having worn the hats of both exhibitor and judge in Rally and Obedience has provided Ted the opportunity to have discussions with other judges concerning the rules, regulations and exercises. Listening to their perspectives has not only helped give Ted better clarity of the rules but more importantly, a better understanding and compassion for those who are dedicated to and have a passion for this sport as Ted does.

Ted wishes to thank AKC for asking him to be part of the distinguished judging panel for the 2021 AKC Rally National Championship and looks forward to judging the great teams participating at this event.

To all the awesome teams taking part in the 2021 AKC Rally National Championship, Ted wishes you challenging courses, exercises that show off your and your dog's abilities and a great feeling of accomplishment as you enthusiastically cross the finish line!

Best of luck to all participants.

### Harvey Dent Quirk RM RAE2 ACT1 CGC

Harvey Dent Quirk is an All American Rescue, mixed with Akita, German Shephard, and Jack Russel. We rescued Harvey at 8 weeks old from EARS Animal Rescue, a non-profit organization in Englewood, Florida.

Rescuing a dog provides the challenging of not knowing the breeding. You never know what you're going to get even with a pure-bred dog, but with a rescue, there really is not any telling. However, getting your dog from a reputable rescue is a big deal. EARS is just that. Harvey has only known love and good care from the day he was born.

Rescuing an All American Dog does not mean you cannot train and compete with your dog. No matter where you or your dog come from, with the right amount of training, you and your dog can do anything.

**SATURDAY & SUNDAY  
JULY 10-11, 2021**

**The 2021 American Kennel Club  
National Obedience Championship  
is Dedicated in Memory of  
DR. WILLIAM V. THAYNE**

In May 2019, we all lost a great man, Dr. William V. Thayne.

Bill successfully competed in obedience with several Labradors and Border Collies. He was an Assistant Professor of Animal Science before becoming a Professor of Statistics at West Virginia University.

Bill became an AKC Obedience Judge in 1976 and served on the 1988 AKC Obedience Advisory Committee.

He gave back to the sport he loved, by teaching advanced Utility and OTCH classes, and was involved in obedience for more than twenty years before being hired by the AKC. Bill began working for AKC as a part-time Field Rep. in 1990 where he covered obedience trials and tracking tests primarily in the East, South and Midwest; leaving obedience judging after 14 years.

In 2001, he became a full-time AKC Obedience Field Rep.; but also had AKC Rally added to his responsibilities in 2005 with the addition of that program. One of the highlights in his career was when he traveled with the AKC Obedience Team to Crufts in 2007. He retired from AKC in 2015 with more than twenty-five years of service. He loved to travel and went on many trips – always where it was warm.

Bill was well respected by all and was “by the book” – whereas he could quote excerpts from the Obedience Regulations word for word without looking it up, and without taking a breath! We could always count on Bill to give us an honest opinion, and whether we agreed with his answer or not, we always respected his opinion. We had a lot of good times over the years...the debates, the laughter, the hard work, the after-the-event margaritas; and following a dinner, always some ice cream. Bill made an everlasting contribution to the sport of Obedience and was a mentor to numerous judges and participants. We treasured our association with this gentleman, educator, sportsman and most of all friend; he is greatly missed. We were all blessed to have known Bill, and we are honored to dedicate the 2021 AKC National Obedience Championship in his memory.

## Patricia R. Krause

### “Soaring Eagle” Perpetual Memorial Trophy

In April 2017, the obedience world lost our friend and mentor, Pat Krause. Pat Krause had been in the dog show world since 1965, showing Irish Setters in obedience, conformation and field events. In addition to Irish Setters, she earned numerous titles in obedience with her Border Collies and Champion Pomeranian.

Pat was the Assistant Director of Training at K-9 Obedience Training Club of Menomonee Falls, WI; the Director of Training for the Irish Setter Club of Milwaukee; and a private trainer at several other clubs in the Milwaukee, WI area. Pat was an Obedience Judge for more than 40 years and came to the AKC in 1999 as the Director of Obedience; then in May 2000 she was named Assistant Vice President of Companion Events.

In May 2005 Pat retired from AKC and resumed judging Obedience and Rally. In her spare time, she volunteered at the Northwoods' Wildlife Rehabilitation Center as an animal/raptor rescuer and rehabilitator; she loved eagles.

Pat's five years as AVP of Companion Events saw the continued growth of AKC agility and the introduction of AKC rally, among the most successful programs in the organization's recent history. Under her stewardship, AKC Companion Events thrived with National Championships in Obedience, Agility and Tracking; and with AKC sponsored teams competing internationally.

Pat Krause was generous with her knowledge and time, to not only the winners, but also to the first-time dog training enthusiast. She never forgot how she became involved in dog training and was sure to mentor anyone who wanted help.

**It is for this reason that the Companion Events Obedience & Rally Team will award the “Soaring Eagle Award” at the National Obedience Championship, in memory of Pat Krause, who was always there to give a word of encouragement.**

At the NOC, at the end of the first day's competition, the top 50-ranked dogs move on to the second day of competition. The “*Soaring Eagle Award*” will be bestowed upon the 51<sup>st</sup>-ranked dog at the end of the day-one competition, to recognize their efforts and to remind them to never give up; and to always keep reaching, keep striving, keep trying, KEEP SOARING; just as Pat Krause would have emulated.

## AKC National Obedience Championship Judge

### Mrs. Karen Anderson – North Branch, Minnesota

When Karen was nine years old, she was mentored by a neighbor who competed in Obedience. She says that training dogs seems to have always been a part of her life.

In the early 1960's, her first Doberman was purchased off a truck bound for a research facility. He was an older dog, thin and scarred, looked as though he had been on his own for some time. He was a love of a dog, very gentle and loyal.

While Karen has had mostly Dobermans through the years, she has also had Basenjis, German Shepherds, an English Setter, an Airedale, a Poodle, and a Standard Manchester. Her dogs have earned many UD, HIT, HC and RAE titles, as well as Champion titles, both here and in Canada. Her Dobs have been honored by the Doberman Pinscher Club of America as finalists in National Doberman Top 20 Obedience.

When she moved to the country, she raised, trained and showed horses. While putting her efforts there, the dog showing took a breather. Then one day she found a very young puppy in a rural ditch not far from her home. An intense effort was made to find where he belonged, but no one in the area had any knowledge of the pup. A trip to the vet got his vaccinations and preparations to kill the various internal parasites and the fleas, ticks and lice. He was thought to be about seven to eight weeks old and not quite starving, but close. The plan was to get him into good health and then find a suitable home for him. And she did... he was with her for 17 years. As a youngster, he proved to be so energetic and naughty that Karen signed him up for Obedience classes, got an ILP number from the AKC and he soon had his UD.

Now firmly back with training and showing dogs, Karen was approved to judge AKC Obedience in 1996. She taught competitive Obedience for over 25 years and also instructed for the local 4-H Dog Project.

Karen wishes the best of luck to all the exhibitors at the 2021 National Obedience Championship.

**AKC National Obedience Championship Judge**  
**Mrs. Louise Botko, Minneapolis, Minnesota**

Louise Botko's interest in Obedience began in 1982 when she purchased a Miniature Schnauzer puppy. Expecting that all dogs would be well behaved, Louise quickly learned that obedience training was needed. Since that time, dogs and the sport of Obedience have been an important part of her life. Two of her dogs were invited and participated at the National Obedience Championship. Cody, her younger dog, is training in Open classes and hopefully will be earning his Companion Dog Excellent (CDX) title later this year.

Over the years, Louise has trained six Miniature Schnauzers through Utility; three completed the Utility Excellent (UDX) title; and two earned the coveted Obedience Trial Champion (OTCH) title. Several of these dogs have also earned AKC Rally titles.

Along with training and showing her dogs at AKC events, Louise takes them to elementary schools and shares information with children about being responsible dog owners. The dogs also demonstrate some of the exercises learned in Obedience. The children really enjoy watching the dogs do their work and then are eager to share some of their own dog stories.

For the past seven years and up until COVID shut schools down last spring, one of Louise's dogs, Fury, was a Therapy dog, visiting an elementary school every week. Fury listened to second grade students read stories to her. Students loved reading to the dog and the dog loved all the attention that came her way. It was a win-win for everyone.

Becoming an Obedience judge is another extension of the sport she loves. Louise's first Novice assignment was in 1993, approved to judge all classes in 1997 and is approved to judge all AKC Rally classes. Traveling the country and judging has been an added bonus from this great sport, but meeting and working with so many other dog lovers (and dogs) is really what makes this a wonderful experience.

Louise retired from teaching and coordinating K-12 district curriculum programs and now has a more flexible schedule to train and show her dogs, along with more time to travel, enjoy outdoor activities, read books, do volunteer work and more.

Louise states, "It is an honor for me to judge the NOC this year and I look forward to seeing each team in the ring. Good luck to everyone, and most of all, have a great time!"

## AKC National Obedience Championship Judge

### James Comunale – Ballwin, Missouri

Jim is honored to be judging the many great teams here this weekend and knows that all of you are undoubtedly proud to be a part of this great event.

Jim has been involved heavily in the sport of Obedience since 1984. He started with a Golden Retriever, not knowing anything about the breed other than he thought they “looked like a friendly dog should.” Along the

way he added a Sheltie as that was the breed his dog friends all seemed to have. Before and after the Sheltie, Jim trained and competed with seven Golden Retrievers. His current Obedience dog is a Border Collie. This dog has been quite a challenge but Jim loves working with him. Jim believes he has learned much more from him than vice versa!

Jim started in a small Obedience club in San Diego in 1984 and, like many of us with our first dog, was amazed that an animal could do such things as stay in place on command or coming when called. From there he got into competitive dog Obedience training and with a few success (and failures) was hooked. He eventually went whole hog into showing, some years spending well over the majority of his weekends at trials. For many years Jim showed two (and for a short time three) dogs in the Open and Utility classes in the same Obedience trials. He has taken a number of dogs to their OTCH titles (all Golden Retrievers and one Sheltie) and his dogs have competed in over a dozen NOCs / Invitationals.

Jim also was active in several Obedience clubs, first in San Diego and then then the Chicago area, doing everything from class trainer to Treasurer to Training Director. Through these clubs Jim formed many friendships, and to this day feels a huge part of the sport is the people we meet and the friends we make, whether they be fellow competitors, judges or club members.

Currently Jim judges Obedience and Rally most weekends, and thoroughly enjoys seeing competitors from all regions of the country. Jim says he finds something unique every time he judges.

Jim wishes everyone great success this weekend. He feels that all can be proud to be here, enjoy the competition, see other great teams, and make new friends as well as reacquaint with old ones.

## AKC National Obedience Championship Judge

### Mrs. Bonnie Hornfisher – Knoxville, Tennessee

Bonnie started training dogs when she was 13 years old, earning her first AKC Obedience title at age 15. She started by taking the family Golden Retriever to a community education class, held in a school gymnasium. In the class she was surrounded by adults, all trying to train on the slippery hardwood floor. At the conclusion of the 8-week session an instructor approached her parents and recommend that they enroll the team in 4-H classes. Bonnie's journey had begun, and she continued to train that Golden with 4-H until she enrolled in

college.

She has titled dogs in Obedience, Rally, and Agility, and has been active in two therapy dog groups.

Besides her dogs, Bonnie shares her life with husband, Russ, also an Obedience and Rally judge. Initially, they purchased Golden Retrievers from a well-respected AKC breeder. Since 1998, they have fostered, adopted, and trained dogs that have been abandoned at shelters, rescue groups, or left on the street. Their rescue companions have included, goldens, tollers, and mix breeds.

Over the years, Bonnie had the good fortune to live in several states, Michigan, Colorado, Iowa, and Tennessee. With each move it was never difficult to make friends, the dog community has been a welcoming bunch. All four states provided opportunity to join dog clubs, therapy groups and participate in rescue endeavors. She has years of experience as a club officer, board member and Obedience/Rally instructor. Currently she instructs classes at Oak Ridge Kennel Club in Knoxville, TN.

In 2010, Bonnie was granted provisional status as an AKC Novice Obedience judge and is now a fully approved Rally and Obedience judge. She is quick to acknowledge, every step, training, showing, instructing, and judging has enriched her life.

On a side note, Bonnie is a retired pharmacist, her career spanned pharmaceutical sales, hospital and retail pharmacy.

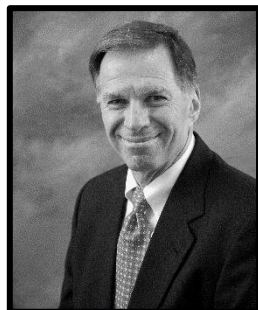

It has been her great honor to judge the Obedience Classic, the Juniors Classic, and now the National Obedience Championship.

Bonnie sends best wishes and safe travels to everyone.

## AKC National Obedience Championship Judge

### Mr. Russell Hornfisher – Knoxville, Tennessee

Russell Hornfisher is the most unlikely person to become a dog show judge. For most of his life he was not even aware dog shows existed. When he married Bonnie, she came with a high energy, happy, Golden Retriever. Bonnie had been training and showing dogs in Obedience since she was eleven years old. The pre-marriage agreement was love me, love my dog. Bonnie did all the dog training and showing. Reluctantly Russell would occasionally attend dog related events to sit in a quiet area reading a book, a newspaper, or doing work for his full-time job.

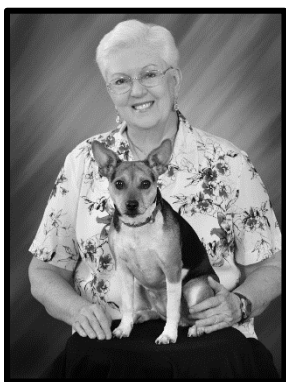

In 1985 he earned a Master's Degree of Science in Organizational Behavior and Development, requiring several years of hard work, including writing a thesis, while learning important information such as Operant Conditioning, Social Learning Theory, Maslow's Hierarchy of Needs and other such valuable principles. Shortly after earning his MSOD degree big changes occurred in their lives including a move to Denver, CO and Bonnie opening a retail pet supply store. The retail business was very consuming limiting Bonnie's time to train their dogs. So, when a Golden Retriever puppy arrived, as a gift, in 1988, doing typical puppy chewing destructive behavior, Bonnie was not able to commit the time for training. In an attempt to get control of this Golden Retriever puppy, Bonnie relinquished taking responsibility for training a dog for the first time. Bonnie was quick to enroll Russell in an eight hour, Saturday, Terry Arnold dog Obedience seminar, where she lectured in the morning on valuable dog training topics including Operant Conditioning, Social Learning Theory, Maslow's Hierarchy of Needs, as well as, other such valuable principles. Sound familiar? What took six years working on a Master's degree at Eastern Michigan University was taught in an 8-hour dog training class. After that experience he was HOOKED!! Russell went from reading business and leadership books to dog behavior and training books. The connection between training a dog, leading an organization, raising a child, or building a relationship with a significant other all involve the same behavior.

Then Bonnie and Russ became involved as a foster home for Golden Retriever Rescue Resources, which further expanded his learning of dog and human behavior. Most of the dogs that came through the foster rescue program had been abused with a not-so-good start on life. The unique issues, that each of these dogs brought with them, is what makes training and earning titles in Obedience, Agility, Rally, and Tracking so interesting. The dog training was so successful that soon the dogs became integrated into his professional sales management career. Many of his most successful sales presentations involved a Golden Retriever. The dogs also became involved in sales and management training programs.

The story takes an unexpected twist when Bill Thayne used his art of persuasion to convince, then coach, and further mentor Mr. Hornfisher to become an AKC Obedience and Rally Judge. Rumor has it, Bill had a full head of dark hair before he took on this challenge. The judging opportunity furthered Russell's study of human-dog relationships. Who would have anticipated that the guy sitting ring side with his head buried in the newspaper would eventually become an AKC Obedience and Rally judge?

Best wishes to all exhibitors.

**AKC National Obedience Championship Judge**  
**Ms. Deborah Neufeld – Kissimmee, Florida**

Deborah has been involved with AKC Obedience competition since 1981 and Rally since 2000. She is an AKC Obedience and Rally Judge, CGC, Trick Dog and AKC Temperament Test Evaluator. Deborah proudly represented the sport of Rally on both the first and second AKC Rally Advisory Committees. She judged the Inaugural Rally National Competition in 2013, the 2020 Rally National Championship, and the 2016 AKC Obedience Classic in Orlando. Deb also writes a regular column for Front and Finish.

Deborah is a member of Orlando Dog Training Club, Imperial Polk Obedience Club of Lakeland, Florida, Dog Obedience Clubs of Florida, Toy Dog Club of Central Florida, American Boxer Club, Mid-Florida Cavalier King Charles Spaniel Club, and Danish-Swedish Farmdog Club of America. In her spare time, she enjoys creating intricate beaded jewelry. Deb is a 39-year Union member with IATSE and is proficient in convention set up and wardrobe (dressing performers) for live theater.

She currently resides in Kissimmee, Florida with her husband, Chip. They share their home with a brindle Boxer named Maya; a black and tan Cavalier King Charles Spaniel named Dylan, the first of only five Cavaliers to earn a RACH title; and a tricolor Danish-Swedish Farmdog puppy named Daisy. All of her dogs train for Rally as well as Obedience, and all are trained for Tricks. Scent work is soon to be introduced.

Although she started learning about training dogs for Obedience in 1972 in Louisiana, the thought of AKC competition didn't catch her attention until she observed a club demo in the late 1970s. She entered her first Obedience trial in 1981 and has been an avid enthusiast ever since. Deb has trained an Irish Setter, Doberman, All Americans, Min-Pin, Toy Fox Terriers, Cocker Spaniel, Boxers, Cavaliers, and now a Danish-Swedish Farmdog. She was one of three members who created an Obedience program for Northlake Kennel Club in Covington, Louisiana in the early 1980s. Deborah also created and taught the first Rally classes for Orlando Dog Training Club.

Deborah recognizes the enormous honor and responsibility of being selected to judge the National Obedience Championship, and she hopes everyone entered enjoys the experience as much as she will!

Good luck to all!

## AKC National Obedience Championship Judge

### Ms. Stephanie Podejko – Central Square, New York

Stephanie has been involved in dog sports with her Dalmatians since 1985. She became interested in Obedience when she saw a woman working her dog and decided she would like to try it with “Esha” her first Dalmatian. Stephanie has since gone on to put multiple Obedience titles on multiple breeds of dogs. This would include a Petit Basset Griffon Vendeen, Golden Retrievers and Border Collies as well as Dalmatians. She has completed several AKC Utility Dog titles, an OTCH, and was honored to be invited to compete at the AKC National Obedience Invitational twice, where her dog was the top Dalmatian both times with her homebred AKC Champion Dalmatian TJ. TJ was the 2nd Dalmatian breed Champion to earn an OTCH title in Obedience.

She has combined her love of horses with her love of dog sports by competing and excelling at Road Trials and earning several RDX titles. This sport, specific to Dalmatians, is meant to show the dog’s capability of following the rider and horse for distances. It requires control and Obedience from the dog to stay with the rider and behave on the trails in the presence of other dogs.

She has also added several other performance sports over the years and has titled her dogs in them as well. This would include Rally, Agility and started Herding in 2020 with her Border Collie, Nikki. Stephanie has put several MACH’s, (Master Agility Champion) as well as RM’s (Rally Master) titles on her dogs.

Stephanie has been involved in breeding Dalmatians since 1988 when she bred her first litter. These dogs have since carried her kennel name “Stonehill” and have gone on to earn dual titles in Conformation and multiple venues of Performance. She has also co-bred and shown several other breeds including Labrador Retrievers, Golden Retrievers and Border Collies to their AKC Championships.

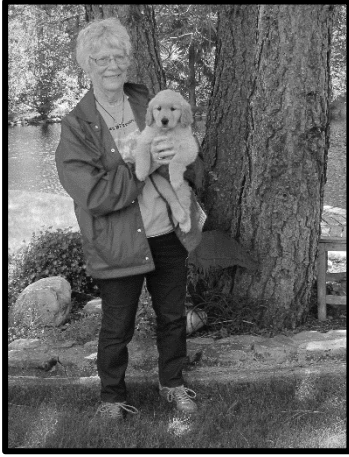

Stephanie applied for and received her AKC judging license in 2011 for Obedience and Rally. She has judged all over the United States and Puerto Rico. She was honored to have been invited to judge the Obedience Classic in Orlando, Florida in 2018.

She has also been involved in several dog clubs including President of “The Onondaga Kennel Club” and “Syracuse Obedience Training Club” and is on the board of “The Dalmatian Club of America”.

Stephanie is the owner and trainer at “Stonehill Training Center” where she focuses on teaching Obedience, Rally and Agility. She is currently working her young Dalmatian, Savvy and her Border Collie, Nikki, in Agility and Obedience.

## AKC National Obedience Championship Judge

### Mrs. Mary Jane Shervais – Cheney, Washington

Mary Jane Shervais has been a judge for the American Kennel Club since 1993. Approved for all levels of Obedience, Rally, and Scent Work, she has judged widely in the United States, including both the east and west coasts, Alaska, and Hawaii. Her judging career has also included assignments in Canada, at several Breed and National Specialties, and at the AKC Classic.

During a varied professional life that spanned service as an officer in the United States Marine Corps, as a Licensed Veterinary Technician managing a progressive veterinary hospital in Northern Virginia, and currently as the Director of Music at Cheney United Methodist Church in Cheney, Washington.

Mary Jane has also actively pursued her passion for Golden Retrievers, and for the sports of Obedience and Rally. She now adds the sport of AKC Scent Work to that list. Her life as a breeder/exhibitor/trainer began with her first Golden Retriever in 1971, and she has been a member of the Golden Retriever Club of America since then. While living in Virginia, she was active in the Potomac Valley Golden Retriever Club, and she also served as the founder of GRREAT (Golden Retriever Rescue, Education and Training) organization.

Mary Jane has titled dogs in Conformation and Obedience in both the United States and Canada, and has included Papillons, a Brittany, and now even a Labrador Retriever in her “Golden” family. As a member of Mount Vernon Dog Training Club in Virginia, Mary Jane served for ten years as the Training Director.

After her husband Steve's retirement from the United States Air Force, they relocated to Cheney, Washington, and Eastern Washington University. Mary Jane immediately became active in Spokane Dog Training Club, where she has served in various officer/board positions, including President, Director of Training, and Instructor. Mary Jane has also served as the Show Chairperson for the Inland Empire Golden Retriever Club and is now the Obedience Chairperson for the Spokane Kennel Club. Mary Jane is totally committed to the furtherance of the sports of Obedience, Rally, and Scent Work.

It is her personal goal to help these sports flourish, and to provide others with opportunities to experience satisfaction and success in them. To that end, Mary Jane has been instrumental in developing a program designed to improve focus, attention, and connection with our dogs when we train, work, and show. It is her desire to provide every dog owner the tools to create a close relationship, filled with love, joy, and success.

**384 OTCH points  
earned in two years**

**17 Utility B wins**

**20 Open B wins**

**29 HITs**

**19 HCs**

**6 Preferred HITs**

Kizzie was owned and loved by Mike and Patricia Smith and was a beloved member of their extended family. Pat delighted in her high energy, bouncy girl and Kizzie brought "the utmost enjoyment and willingness" into the obedience ring. Working together, they exemplified teamwork, executing each exercise with precision and grace. Mike was always supportive of Pat in trials. He drove many miles to get them to out-of-state competitions and did what he could to make certain Kizzie was ready to show. Kizzie and Pat competed in the 2019 NOC and placed in the top 50. They were invited in 2020 and again this year. Kizzie accumulated 384 OTCH points in her short lifetime.

Year after year there's a special group of people that never cease to amaze us, our Volunteers! To our **Volunteer Chair, Linda MacDonald and the Team of Volunteers...**

We can't begin to say how thankful we are for everything that each of you do to make this such a wonderful weekend for those of us at AKC and for those competing.

***“Volunteering is at the very core of being a human. No one has made it through life without someone else’s help.”***

**Heather French Henry**

**Thank you!**

From all of Us on the AKC Companion Events Team
