December 2014

Thank you for joining us for the 2nd annual AKC Obedience Classic and the fourth annual AKC Juniors Classic! We congratulate you and are pleased to welcome you and your dogs to these events. These events are being held in conjunction with the Agility Invitational and the AKC/Eukanuba National Championship. Please take the time to visit and appreciate the outstanding dogs and owners participating in each of these events.

Competitors have exhibited throughout the year in order to qualify to enter the Obedience Classic. Two hundred and two teams will compete over the next two days for top honors in the Novice, Open, Utility and Masters Classes. Classic competitors come from 31 states, representing 44 different breeds. These obedient dogs will perform a series of exercises, such as heeling, scent discrimination and retrieving over jumps. They are judged on their skill and accuracy, as well as the natural movement of the handler and willingness and enjoyment of the dog.

Eight obedience judges were selected for their experience and sound judgment and we want to thank them for the time they have committed to these events and their dedication to the sports. All dogs in the Classic will compete over two days and their scores will be cumulative. In the Novice, Open and Utility Classes the handler/dog teams will compete three times. In the Masters Class the handler/dog teams will compete a total of six times, three times in Open and three times in Utility. Group exercises will be performed in each round. An awards ceremony for the Obedience Classic will be held at the conclusion of the event on Sunday. If a "Top Dog" Medallion has been sponsored by a breed's AKC Parent Club, it will be presented to the dog of that breed with the single highest score from any one ring at the conclusion of the event.

In the AKC Juniors Classic, 26 junior handlers from 11 states will compete twice on Saturday with 35 dogs in one of three class levels; the Beginner Novice, Novice and Open classes. New this year we have added AKC Rally to the Juniors Classic, where we have 22 juniors and 30 dogs entered. The Juniors range in age from eight to 17 years competing with 15 different breeds. There will be an awards ceremony on Saturday for the junior obedience competition and on Sunday for the junior rally competition. Stop by to cheer for the sport's next generation of exhibitors!

Special appreciation goes to our event sponsor J & J Dog Supplies, for their continued support of our events. Please take a moment to visit their booth and express your gratitude to their representatives for supporting our sports. Be certain to take some time to enjoy some camaraderie at the welcome receptions for the AKC Obedience Classic and Juniors Classic on Friday sponsored by AKC, the Orlando Dog Training Club and the Dog Obedience Clubs of Florida.

The AKC also expresses its appreciation to the more than 50 volunteers that have offered their time and expertise to make this event a wonderful celebration of the sports of obedience and rally.

The entire Companion Events team has worked hard to organize this event and is here to ensure its success. Our team is comprised of -- Doug Ljungren, Vice President of Sports & Events; Co-Trial Chair and Sr. Executive Field Representative, Diane Schultz; Event Secretary, Lisa Strickland; and the Companion Events Obedience/Rally Executive Field Team comprised of Dr. William Thayne, Mary Higdem and Sharon Hodgens-Wood. Without all of the wonderful volunteers and staff, an event of this size would not be possible. Thank you all for your time and talents.

Best of luck to our exhibitors over the next two days; and thank you for entering! We are pleased everyone could join us in Orlando this weekend. Enjoy the Classic!

Sincerely,

A handwritten signature in cursive script that reads "Pamela Manaton".

2014 AKC OBEDIENCE CLASSIC JUDGE

Dianne Allen

I showed my first dog over 42 years ago. I hit the conformation ring first with a German Shepherd Dog, but then found obedience and my passion for it has continued to grow over the

years. In the early 80's I switched to Belgian Tervuren and had my first Obedience Trial Champion and my first breed Champion. More Tervuren followed and so far there have been 5 OTCHs, 2 MACHs, 7 CH's, 1 GCH, 1 TD, and numerous Obedience, Herding and Rally titles. Each of my Tervuren has achieved titles in multiple venues and as they say – "Variety is the spice of life".

My primary passion continues to be obedience and in 1989 I applied for my AKC Obedience Judging License. I thoroughly enjoy both sides of the clipboard and look forward to judging in Orlando. I wish the best of luck to all exhibitors!

Betty Brask

What a thrill to be part of AKC's Invitational! I am honored to be one of the judges for this fabulous event. I look forward to seeing all the exceptional, top notch teams. I wish every exhibitor/dog team the best of luck this weekend.

I am grateful for all the dogs who I have shared my life with for the past 63 years. I grew up with dogs, there has never been a time in my life without the companionship of dogs. From obedience to rally to conformation to training assistance dogs, etc. dogs have always enriched my life.

I have taught elementary school for 37 years. During that time, I have been very lucky to have classroom dogs! From a St. Bernard to Cairn Terrier to Beardies, Golden and Labs – each has helped teach my students kindness, compassion, patience and so much more.

I am also very thankful for the friends I have made through the sport of dogs. "Dog friends" are simply the best friends!

I grew up in Texas, but have been a resident on Maui for the past 25 years. I currently teach 2nd grade with the help of a Golden and a Lab.

Good luck everyone! Aloha!

Marilou McCloskey

I caught the obedience bug at my first puppy kindergarten class in 1991, when the instructor brought her German Shepherd Dog “Quincy” into class and demonstrated the Utility Signal Exercise. I was determined that my obnoxious English Springer Spaniel puppy was going to be just like Quincy when he grew up.

That started the journey that led to applying to become an obedience judge in 2004 and a Rally judge in 2005. I have, since put UD titles and agility titles on my first two Springers and my current Springer is CH Twin Oaks Meant To Be CDX GN RE NA OAK NF, soon to be UD.

There are bumps in the road as the journey moves forward, but with your best friend by your side, the bumps are easier to navigate.

Thank you for inviting me to judge the AKC Obedience Classic and best of luck to all.

Susan Oviatt-Harris

I have competed in AKC obedience, tracking, conformation, hunting and agility events since 1972, and have been a licensed tracking and obedience judge for over 30 years. I have judged many of the former Gaines

Regional and Classic competitions. Two Irish Setters, two English Setters, two Dobermans, a Springer Spaniel, a mini Wire-Haired Dachshund, three Golden Retrievers and three Shetland Sheepdogs have been the breeds I have owned, trained and exhibited in performance, field, and conformation.

I am a retired high school English teacher and live with my husband, one Golden and two Shelties. My 10 year old Sheltie, Ace, has a CD, MX, MXJ and MXF titles and is my husband's companion. His son, Gem, a 6-year-old Sheltie, has his MX, MXJ and MXF titles and is pursuing a MACH in agility. The newest addition is a two-year-old Golden Retriever pup, Trey, who has a TDX title, has multiple agility titles, is training in field and will begin his obedience career in 2015. In my spare time, I read, play bridge, knit, garden, bake, and ride my bike.

It is an honor to be selected to judge the 2014 AKC Obedience Classic.

Best of luck to all the exhibitors!

2014 AKC OBEDIENCE JUNIOR CLASSIC JUDGE

Robert Squires

In 1966, after returning from 13 months in Vietnam, and moving to Camp Lejeune, NC, Bob decided to buy a dog. Like many people, he knew nothing about dogs but got lucky with his first German Shepherd. Knowing he should train the dog, he signed up for an obedience training class. Fortunately for Bob, and the dog, the instructor was

tremendous. After about 8 weeks of training, he entered his first obedience trial, (there were no matches in the area). In just under 9 months, the dog earned a UD. As Bob soon found out, after training and entering additional dogs, his first dog was especially easy to train.

After a second 13 month tour in Vietnam, Bob ended up in Quantico, VA, and became very active in training. His second German Shepherd and a Miniature Poodle completed their UD's.

While at Quantico, Bob became one of the founding members of the Marumsc Dog Training Club, serving as Training Director and President. He was also member of the Mattaponi Kennel Club.

From 1969-1970, Bob began provisionally judging matches and was approved to judge Novice in 19--. Around 1975 he was approved to judge Open. Unfortunately, he had little time to judge, as he was transferred to Okinawa, Japan for four years. About a year before moving to Okinawa, Bob purchased his first Doberman and trained him through Utility.

In Okinawa, Bob became very active in the Okinawan/American Kennel Club, functioning as training director and teaching classes. The club put on four trials/matches a year, which required Bob to train members, who had never before seen an obedience trial, to judge Novice through Utility classes.

Bob returned to Quantico in 1980 and continued his membership in the Marumsco Dog Training club. He resumed judging Novice and Open classes and gained approval to judge Utility. At this time he obtained his second Doberman, putting a UD on this dog.

Bob retired from the Marine Corps in 1983 and took a job in Rochester, NY where he again taught classes and judged. In the middle to late 80's he was offered and took positions with the American Kennel Club. He held various titles including Regional Representative and Director of Obedience, which included overseeing Obedience, Tracking, and later Agility. As a Rep and Director, he conducted Obedience and Tracking judging seminars across the country. Bob also oversaw two Obedience advisory committees, and assisted with Obedience Invitationals, including the first one, which was held in St Louis, MO.

In 1998 Bob left the American Kennel club. He returned to judging, which he really enjoys, especially when he can renew friendships and meet new people.

Margery West

Margery took her first dog, an American Eskimo, through dog obedience class in 1973. Having been "bitten" by the "dog bug," she then got her first Sheltie. After putting several obedience titles and two breed championships on them, she

branched out into other breeds including Labradors, Goldens, a Curly-Coated Retriever, a Belgian Sheepdog, a Schipperke, a Whippet, an Australian Shepherd, Border Collies, a Greyhound and currently a Cavalier King Charles Spaniel and a Papillion. Margery has titled dogs to an Obedience Trial Championship, several Utility Dog titles, more Companion Dog Excellent titles, and many Companion Dog titles; as well as several Retriever Hunt test titles, Rally titles, and one Tracking Dog title. She became an AKC approved judge in 1991, and is now approved to judge all obedience and rally classes.

Margery is very involved in teaching others to instruct pet owners. In 1990 she wrote the first edition of the Dog Writers Association of America's award winning book "Social Graces." For eight years she wrote "The Pet Class" column for Front and Finish, and a column for the quarterly magazine FORWARD. She is a past President of the National Association of Dog Obedience Instructors and has been Training Director for the Springfield, MO Dog Training Club several times. She currently teaches classes for the dog training club and judges many weekends. Her dogs are now pretty much retired from showing and are hard at work at the job they were bred to do; be lap dogs.

2014 AKC OBEDIENCE CLASSIC JUDGE

Elmer J. Willems

I became involved in dogs in 1968 when my daughter signed up for the 4-H dog project, but there was not an adult leader in the county; so I volunteered to be the adult leader. My wife and I held this position for 20 years.

After my daughter graduated from 4-H, I was hooked on dog obedience and decided to show our Sheltie at AKC trials. I have achieved UD's on four Shelties as well as Novice and Open titles on several others. I also earned a CD on a Bearded Collie, Agility Excellent titles on three Aussies, and Rally Excellent titles on two Aussies and one Sheltie. Currently, I am training and showing an Australian Shepherd in obedience and agility. He is working toward his UDX title in obedience and in the Masters level toward a MACH in agility.

I became an approved AKC Judge in 1987. Since that time I have judged over 400 obedience trials. I am approved to judge all obedience classes in AKC, United Kennel Club, and the Australian Shepherd Club of America. I am also approved to judge all levels of Rally for AKC and ASCA and have judged over 70 rally trials. Occasionally I still judge 4-H events.

My plans for the future are to continue to show my dog and judge as long as I am physically able.

2014 AKC OBEDIENCE CLASSIC JUDGE

Larry Wilson

I've been involved in AKC obedience and dog training since 1985 when I took a rescued Bichon with discipline and biting problems to a beginner's training class. I enjoyed the class so much and the dog was much improved. He went from an aggressive little dog to an affectionate, soft-hearted companion and earned his Companion Dog title; I still have all his ribbons. Since that time, I have trained six poodles, both miniature and standard, in obedience and rally. I have been a steward, match judge, and Obedience Chairman since 1988. Currently, I have a dog training for the Utility Class and an eleven month old in conformation, as well as training for the novice class. In 2006, I applied for AKC Obedience judging approval and have since been approved to judge all obedience classes. In my other life, I own a real estate appraisal company. But that's going to have to go as dogs are a lot more fun.

2014 AKC OBEDIENCE CLASSIC JUDGE

Carolyn Wray

My name is Carolyn Wray and I live in Oregon with three Miniature Poodles and one oversize Toy Poodle; the gang and I participate in AKC events including obedience, rally, agility and tracking. I have done conformation and

herding as well. All my dogs are spoiled house pets and they all sleep on the bed.

I grew up in a dog show family and earned my first CD in 1966 (I was still in grade school). I am an AKC obedience and rally judge (all levels).

I have titled and loved a variety of breeds including Keeshonden, Shelties, Doberman, Pekingese, and Poodles. Achieving a CDX title on my beloved Peke, Kenny, is one of my fondest memories. His registered name was Wraynbow Unique CDX and he was indeed unique; I miss him to this day.

In addition to many years of showing, I have also written many articles on dog sports, most specifically obedience and rally. I have contributed to such magazines as the Poodle Club of America's "Poodle Papers," the Versatility in Poodles quarterly newsletter and the now defunct, Kee Topics.

I bring a varied background to the ring every time I judge and this experience gives me a balanced perspective both as a judge and as an exhibitor. I enjoy every assignment. Being a performance judge is the best hobby you can have!

“Be very proud of what you have done today. You may not have qualified or done what you know is your best...but the very fact that you are standing here makes you a winner in my book.

No dog ever winds up in a rescue program when they have someone who loves them enough to make this commitment. So take each dog home and feed and love them...they are a mirror of what you have taught them, and they are 100% better than the dog you brought to the first class.”

AKC Code of Sportsmanship

PREFACE: The sport of purebred dog competitive events dates prior to 1884, the year of AKC's birth. Shared values of those involved in the sport include principles of sportsmanship.

They are practiced in all sectors of our sport: conformation, performance and companion. Many believe that these principles of sportsmanship are the prime reason why our sport has thrived for over one hundred years. With the belief that it is useful to periodically articulate the fundamentals of our sport, this code is presented.

- Sportsmen respect the history, traditions and integrity of the sport of purebred dogs.
- Sportsmen commit themselves to values of fair play, honesty, courtesy, and vigorous competition, as well as winning and losing with grace.
- Sportsmen refuse to compromise their commitment and obligation to the sport of purebred dogs by injecting personal advantage or consideration into their decisions or behavior.
- The sportsman judge judges only on the merits of the dogs and considers no other factors.
- The sportsman judge or exhibitor accepts constructive criticism.
- The sportsman exhibitor declines to enter or exhibit under a judge where it might reasonably appear that the judge's placements could be based on something other than the merits of the dogs.
- The sportsman exhibitor refuses to compromise the impartiality of a judge.
- The sportsman respects the AKC bylaws, rules, regulations and policies governing the sport of purebred dogs.
- Sportsmen find that vigorous competition and civility are not inconsistent and are able to appreciate the merit of their competition and the effort of competitors.
- Sportsmen welcome, encourage and support newcomers to the sport.
- Sportsmen will deal fairly with all those who trade with them.
- Sportsmen are willing to share honest and open appraisals of both the strengths and weaknesses of their breeding stock.
- Sportsmen spurn any opportunity to take personal advantage of positions offered or bestowed upon them.
- Sportsmen always consider as paramount the welfare of their dog.
- Sportsmen refuse to embarrass the sport, the American Kennel Club, or themselves while taking part in the sport.
