## The **CLASSIC** ~ Orlando, Florida ~ December 2022!

This year marks the 9th AKC Obedience Classic. The AKC's vision was to bring handlers and dogs of all ages and skill levels from across the country to showcase their teamwork. The *Classic* includes teams who may just be starting their competition career, to teams who have been performing in AKC events for many years. These events are a way for those at the beginning of their journey to show the spectators what some basic obedience training can do for the bond between you and your dog, and for the teams that have been training for some time to share their experience with others; all with sportsmanship and great camaraderie.

The "*Classic*" as it is known, is a display of dogs that have been trained to behave in the home, in public places and in the presence of other dogs. This AKC event takes the term "good dog" to a higher level. Competitive obedience encourages owners to develop deeper relationships with their dogs through a series of exercises, from the basic "sit" and "come" to more challenging tasks of retrieving and jumping on command. Accuracy and precision are essential, but the natural movement of the handler and the willingness and happiness of the dog make for a winning combination.

This year in the *AKC Obedience Classic*, we will have 240 teams performing with handlers from 40 states showing 60 breeds. These teams qualified over a year-long period to be eligible to enter the *Classic* in one of the four classes offered, which all progress in difficulty. These teams will compete multiple times over the two-day competition until an ultimate winner in each class is crowned.

The dogs performing in these events are true family companions who share their lives with the people who enjoy showcasing their skills in a competitive arena. Relish your time here and share camaraderie watching America's best-trained companion dogs compete at the AKC Obedience Classic.

Best of luck to everyone!

***Diane Schultz***

## AKC Obedience Classic Judge

**Mrs. Louise C. Botko**  
Minneapolis, MN

Louise was fortunate to grow up in a neighborhood where there were puppies and dogs to play with and take on walks. Years later when she got married and moved into a house, Louise and Ronn began looking for a puppy. Louise fell in love with terriers, especially miniature schnauzers, and purchased her first miniature schnauzer puppy in 1982. Expecting that all dogs would be well behaved, she quickly learned that obedience training was needed. Since that time, dogs and the sport of Obedience have been an important part of her life.

Over the years, Louise has trained six miniature schnauzers through the Utility title; three completed the Utility Excellent (UDX) title and two earned the coveted Obedience Trial Championship (OTCH) title. Several dogs also earned Rally titles.

One of her dogs, after retiring from Obedience, became a Therapy dog and visited elementary schools weekly and listened to second grade students read stories to her. The children loved reading to a dog and the dog loved all the attention. It was a win-win for everyone.

Along with training and showing her dogs at AKC events, Louise has taken her dogs to schools and shared information with children about being responsible dog owners. She has her dogs demonstrate some of the exercises learned in obedience (e.g., sit, down, stay, come, heel, fetch). The children love watching her dogs do their work and also enjoy sharing their own dog stories.

Becoming an Obedience judge is another extension of the sport that Louise loves. Her first judging assignment was in 1993, approved to judge all obedience classes in 1997 and later also approved to judge all Rally classes. Since then, Louise has judged many breed specialty and all-breed dog shows across the country. She has had the honor of judging several national obedience dog shows: the National Obedience Championship (NOC); the Junior Classics and Westminster Obedience. Traveling the country and judging dog shows has been an added bonus from this great sport, but meeting and working with so many other dog lovers (and dogs) is really what makes this a wonderful experience.

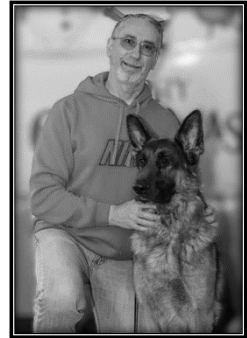

Louise retired from teaching and coordinating district curriculum programs a few years ago. She now has a more flexible schedule to train and show her dogs, along with more time to travel, do outdoor activities, read books, do volunteer work and more.

It is an honor to be judging the Classics this year. Good luck to everyone, and most of all, have a great time.

# AKC Obedience Classic Judge

**Mr. Joseph Caputa**  
Ellendale, DE

Like many people Joe has had dogs in his life since childhood. He got involved in the sport of purebred dogs in May of 1979. His breed of choice has been, and remains, the German Shepherd Dog. He is currently a member of the German Shepherd Dog Club of America, German Shepherd Dog Club of Wisconsin, and the Mispillion Kennel Club.

When he joined the GSDC of Wisconsin in 1979 he was fortunate enough to have the support of several good people in both breed and obedience. After a number of years of competing successfully in both venues he realized his true passion was in the obedience ring.

Joe has had a number of great dogs over the years and put at least one obedience title on each of them. He has had the pleasure of campaigning dogs to breed champion as well as obedience champion. He has had the honor of having one of his dogs qualify for the NOC in 2009 and 2010

Joe decided to make the move to judging around 2005 and became a provisional obedience judge in 2007. He completed his provisional Utility in Sept. of 2014. It has been a way for him to give back to a sport that has been an important part of his life. He has met a lot of great people, and dogs, both as a competitor and a judge and hopes to continue enjoying the sport on both sides of the gates for many more years.

He has had the honor of judging the Classic in 2015 and the NOC in 2019 as well as the GSDCA National Specialty several times.

Together Joe and his wife have also raised five puppies for Canine Companions, a non-profit organization that supplies service dogs to those in need free of charge. Although it is difficult to part with the puppies that have been a part of their lives for 18 months, the feeling when the dogs complete their advanced training and are placed with a partner is indescribable.

## AKC Obedience Classic Judge

**Mr. Jeffrey Kern**  
Gainesville, FL

Jeff's interest in Obedience started in 1994 when he observed his neighbor training Utility with her American Cocker Spaniel. He immediately knew if he owned a dog, he would train it to do Obedience. A few months later Jeff purchased Java, a Female Labrador retriever and joined the Dog Obedience Club of Hollywood. The rest is history.

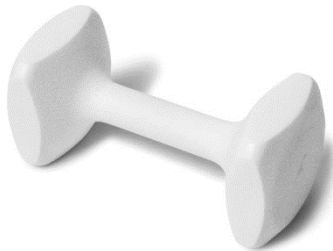

It wasn't until 2001 that he became interested in Judging. Today Jeff is licensed to judge all of Obedience and Rally together with the American Cocker Spaniel in Conformation.

He's bred Cockers for 20 years under the prefix "Valor" and has become a breeder of merit with the American Kennel Club.

His time is spent training and exhibiting Ava, his five-year-old Labrador Retriever from Lorita's Kennels and Taylor a 6-year-old Parti Cocker Spaniel. Jeff belongs to The Greater Ocala Dog Club and the American Spaniel Club.

Becoming an obedience judge is another extension of the sport that he loves and a way for him to give back to the sport. He enjoys traveling and judging all the great obedience teams around the country.

Best of luck to all exhibitors.

## AKC Obedience Classic Judge

**Mrs. Cheryl Pratt**  
Virgilina, VA

Cheryl has owned dogs her entire life. She did not become involved with dog obedience until the late 1980's when her family brought home a Great Dane puppy while living in Colorado. Up until then she had always had small dogs. Knowing this boy would outweigh her she found a local training club and enrolled in a basic obedience class. Like most of us involved in the sport of obedience she was hooked.

Luckily, Maxx was much smarter than his human and learned obedience despite how little she knew. Cheryl was able to put a CD on him before her husband was transferred to Kuwait with the Army. There was no way they could leave this dog behind for two years so off they went with two sons and a huge dog. Maxx had to be shipped air freight due to the size of his crate. Cheryl kept up his training on her own and when they came back stateside, she joined the Mt. Vernon Dog Training Club in Alexandria, VA to continue training. Maxx was on his way to earning his CDX when they lost him at the age of 7. She learned so much from that first obedience dog. How to have fun, how not to take anything too seriously - he was a big goofy boy. How to NQ and still love her dog and learn what needed work. Over the next 30 years she trained two more Great Danes, a Labrador Retriever and a rescued Greyhound from the track earning four more CD's and two CDX's. About 14 years ago she decided to downsize and now has two Vizslas- Henry & Jethro. Henry is retired with a UD and an RAE. Jethro has earned his CD, PCD, BN and RE. This boy is the most ring sensitive dog she has ever owned and the journey has been a learning process for both of them. Every dog has taught her something about herself and training. Patience, how to adjust training methods and when to just stop and love your dog.

Cheryl became involved with rally when it first started in 2005 after attending a seminar with a friend who convinced her to apply to be a judge. Starting with a sport from the ground up has been exciting. Once Henry earned his UD, she was encouraged by many friends to apply to be an obedience judge. There were so many people that helped her through that 4 ½ year process. It wasn't easy but she enjoys being an obedience and rally judge. She has met so many new people as she travels around the country. Obedience/rally exhibitors are the nicest, friendliest, most helpful group you'll ever meet.

It's such a joy to watch a team having fun and working together in the ring. Cheryl would like to wish everyone good luck, remember to breathe and make sure you hug your dog when you leave the ring.

## AKC Obedience Classic Judge

**Dr. Hallie A. Ray**  
Madison, WI

As a middle-schooler, Hallie tried training her family's adopted stray dog using instructions from a little paperback book. They didn't get very far. Years later, she attended her first dog show, researching breeds before buying a purebred puppy. She happened into the obedience trial building and was fascinated watching the performances. The "little Collies" were her favorites, and within a few months she had her

first Sheltie, Rusty. Hallie and Rusty earned their first CD leg at the Houston Astrohall in a Novice A class of 56 dogs. Winning a runoff for fourth place, Hallie was permanently hooked on the sport. Rusty earned a UD, with HIT and OTCH point wins along the way.

A few years later, the Rays added a show-quality Sheltie, and bred under the kennel name Draco. Over the next 15 years they showed in obedience, conformation, agility, and herding. Hallie has earned 9 UDs including two on Champions plus several more CDXs and coached her husband David to an OTCH on his Sheltie, Douglas. She completed her own OTCH on Molly Brown (OTCH Shadow Hill's Draco Devilwind UDX2 OA OAJ) the same week she was approved as a provisional AKC Novice Obedience judge in 1996. Living in Virginia at the time, she judged in the mid-Atlantic region, and was approved for Utility in 2002.

After Molly's OTCH, Hallie wanted to find exactly the right Sheltie...or maybe a Papillon. Luke the Papillon earned his CH and UD titles. Training and showing took a back seat for a while, as Hallie and her husband adopted a daughter from China. Retiring from a career teaching anatomy and physiology to nursing students and moving with her family to New Mexico, she discovered clubs out west needed judges who could do both Obedience and Rally. She completed the requirements and was approved for Rally in 2012.

Retiring from a second career in 2019, Hallie and her family moved to Madison, WI, with two Shelties. Once again, Hallie wanted exactly the right Sheltie...or maybe a Schipperke. Pieter the Schipperke came home in October 2020, and this year is showing in Obedience and Rally. Sheltie Zia UDX OM finished her RACH and tied for 3rd in the Championship class at the RNC this year, and is now retired at age 10.

Over the years, Hallie has been a member of several Sheltie clubs including the ASSA, and has been an active member of Galveston County Kennel Club, Richmond (VA) Dog Obedience Club, Sandia Dog Obedience Club, and now Badger Kennel Club. She has served on club boards and show committees, as newsletter editor, and as instructor at all levels. She particularly enjoys teaching ring preparation classes and seminars. "You can't play the game if you don't know the rules!"

She wishes all teams the best of luck and reminds them that each exhibitor gets to bring home the best dog at the show--their own!

# AKC Obedience Classic Judge

**Dr. Pamela Regan**  
Redondo Beach, CA

Dr. Pam Regan is an AKC® Obedience, Rally, and Farm Dog judge, as well as a Canine Good Citizen®, Trick Dog, and Temperament Test® Evaluator.

Pam got her first taste of companion events as a child, when her parents let her bring a little Shepherd mix home from the local shelter. She and Obe enrolled in a training class and eventually joined a local kennel club filled with folks who could not have been more welcoming to a kid and her little mutt dog. And this is where she found her tribe!

Later, she started trialing in earnest with a succession of big-hearted Collies, and now shares her home with a pair of Belgian Tervuren (Phoebe and Kip). Her dogs have earned 300+ qualifying scores and placements, more than 20 Top 10 rankings, multiple High in Trial and High Combined awards, and 70+ titles. [And none of these achievements has ever been as rewarding as the companionship experienced with those most beloved dogs.]

Pam and Phoebe also participate in the AKC® Canine Ambassador program, giving public demonstrations at schools and community events. When those activities came to a halt due to the pandemic, the two went on 400+ “front yard visits” to individual homes and hospitals. During their visits, Phoebe performed tricks with her audience safely inside watching at their windows. In 2020, Phoebe was honored with an AKC® Paw of Courage Award for her service; this remains a high point in Pam’s and Phoebe’s shared journey.

Pam is a member of the American Belgian Tervuren Club, serving on the Members Education and Code of Ethics Committees; the Collie Club of America, serving as National Agility and Obedience Chair; and Southwest Obedience Club, serving as First Vice President and AKC® Public Education coordinator. Pam also served on the 2017 AKC Obedience Task Force, coordinated the filming of the AKC Rally®|Intro to Dog Sports video, judged the 2015 AKC Rally® National Championship and the 2018 National Stunt Dog Championship, and served on the Organizing Committee for Rally Throwdown, a charity Rally competition supporting America’s VetDogs® (a not-for-profit providing service dogs to military veterans and first responders). In addition, Pam has given 50+ presentations about AKC® events and regulations and has written articles about the AKC® virtual titling programs.

Of all the performance activities Pam participates in and judges, Obedience is her favorite. She admires the way it emphasizes communication and teamwork while at the same time encouraging efficiency and precision. The time she has spent as an exhibitor has definitely informed her judging – she knows what it feels like to walk into the ring and put all those months (sometimes years) of training on the line!

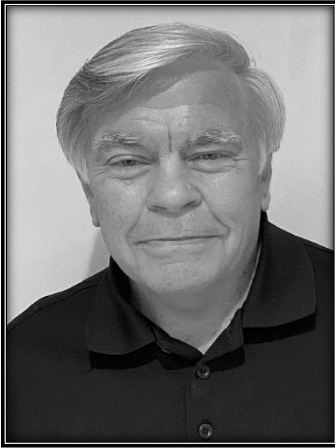

Pam’s goals are to treat exhibitors and their dogs with warmth and courtesy, to score them fairly and consistently, and to uphold the AKC’s principles of good sportsmanship. She is honored to judge at this competition and looks forward to seeing everyone in the ring!

## AKC Obedience Classic Judge

### Mr. Ronald E. Seeley

Port St Lucie, FL

Ron's love of the sport of obedience started shortly after his son was born in 1978. Looking for a dog that would be great with kids, Ron, and his wife Luci, decided on the Golden Retriever. After one of their visits to the Vet with their first Golden, the Vet handed Ron a flyer for obedience classes offered by the Obedience Training Club of Palm Beach County (OTCPBC). After taking a twelve-week class, Ron was hooked on the sport of obedience.

Ron became a longtime member of Obedience Training Club of Palm Beach County, OTCPBC teaching obedience classes, serving on the Board of Directors and

President. After Ron was introduced to the sport of Tracking, he served on the Board of Directors and became Tracking Director for the Club for several years. Ron was fortunate to have several wonderful Goldens that he got from Cherie Berger at Meadowpond Golden Retrievers in Michigan. Ron and his dogs competed at the annual Dog Obedience Clubs of Florida event also known as DOCOF, for many years with OTCPBC as well as other clubs that he belonged to.

Ron's heart dog was CT Meadowpond All the Rite Stuff, UDX. RN, aka Gus. Ron and Gus were very in tune with each other, and Gus took Ron on the most awesome journey. He enjoyed anything that Ron asked him to do. He loved obedience and tracking was Gus' favorite. One of Ron's proudest moments in obedience was earning a UDX with Gus. Gus also became the first Meadowpond to earn a Champion Tracker title in Cherie's long line of Goldens. Because of Gus, Ron decided to become an AKC Tracking Judge and an AKC Obedience Judge qualified to judge all levels of each sport.

Ron really enjoys judging new people in obedience as well as tracking and helping them become a team with their dog. Working with new exhibitors in obedience, Ron tries very hard to make the exhibitor comfortable in the ring and enjoy the bond they have with their dog. Becoming a Judge is a way that Ron thought he could give back to both sports that have been so kind to him over the years and hopefully allow others to enjoy dog sports as much as he does.

## **AKC Obedience Classic Judge**

**Mr. Richard P. Wood**

Hudson, WI

Richard started out in Obedience in 1971 with a German Shepherd and since then has trained and shown another German Shepherd, four Golden Retrievers and three Shetland Sheepdogs.

Titles on these dogs include three OTCH's, one UDX, three UD's, and one CD. His current dog is a Shetland Sheepdog, Roxy, who is eight years old and

has earned a UD, OM1, BN and RE titles. The pair is currently working to get the tenth leg on the UDX title. She also has 30 OTCH points and a first in Open and a first in Utility.

When he isn't judging or showing his dog, he spends time in his workshop on various woodworking projects or other household maintenance jobs.

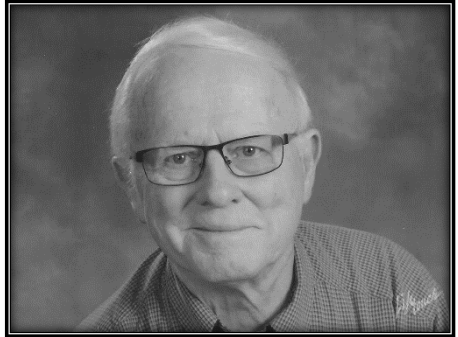

He was a member of the Bloomington Obedience Training Club from 1972-1983 where he served on the board and as an officer. He has been a member of the St. Paul Dog Training Club since 1983 and served on the Board of Directors there for many years. He is now a Board member emeritus.

Richard started judging Obedience in 1987 and added Rally when it became a titling class.

Richard has traveled all over the continental USA, Alaska, Hawaii, and Canada judging and has met many wonderful people and judged many great teams.

He is honored to have been chosen to judge the Classic this year and looks forward to seeing some wonderful dogs and handlers.

Richard also wants to thank the AKC Companion Events Department and all the volunteers who work hard to put on this event.

## OBEDIENCE CLASSIC AWARDS, PRIZES & RIBBONS

---

A “**Top Dog Medallion by Breed**” will be presented if an AKC Parent Club has chosen to sponsor this award. The AKC will sponsor a medallion for All American Dogs. The “Top Dog” award will be presented at the conclusion of the event to a dog of each sponsored breed. We will calculate a score for all dogs from two rings using the least points off. An award medallion with a neck ribbon will be presented during the awards ceremony. See a complete list of breeds that have a sponsored Top Dog Medallion at: <http://www.akc.org/events/obedience/classic/>.

**Final Placements are based on cumulative scores from the two-day event and will be awarded for the Novice, Open, Utility and Masters classes at the conclusion of Sunday's tabulations.**
