Section 212. Dogs temporarily in the Commonwealth.

(a) General rule.--Any person may bring, or cause to be brought into the State, for a period of 30 days, one or more dogs for show, trial, or breeding purposes or as a household pet without securing a Pennsylvania license, and any person holding a Pennsylvania nonresident hunting license may, without securing a license or licenses therefor, bring or cause to be brought into the State one or more dogs for the purpose of hunting game during any hunting season when hunting with dogs is permitted by law, if a similar exemption from the necessity of securing dog licenses is afforded for hunting purposes to residents of Pennsylvania by the state of such person's residence; but each dog shall be equipped with a collar bearing a name plate giving the name and address of the owner.

(b) Applicability.--This section shall not apply to a dog coming into a kennel.

Section 214. Health certificates for importation.

(a) Requirements.--It shall be a violation of this act to transport any dog into this Commonwealth except under the provisions in section 212 without [a certificate of health prepared by a licensed doctor of veterinary medicine] **an interstate certificate of veterinary inspection**, which certificate, or copy of such, shall accompany the dog while in this Commonwealth. The certificate shall state that the dog is at least eight weeks of age and shows no signs or symptoms of infectious or communicable disease; did not originate within an area under quarantine for rabies; and, as ascertained by reasonable investigation, has not been exposed to rabies within 100 days of importation.

(b) Vaccinations.--

(1) All dogs **transported into this Commonwealth** must have been vaccinated for rabies in accordance with the act of December 15, 1986 (P.L.1610, No.181), known as the "Rabies Prevention and Control in Domestic Animals and Wildlife Act." The name of the vaccine manufacturer, the date of administration, and the rabies tag number must appear on [health certificates prepared by a licensed doctor of veterinary medicine.] **a certificate of vaccination and an interstate certificate of veterinary inspection.**

(2) All dogs transported into this Commonwealth and placed in a kennel, except for a boarding kennel, shall have had an initial dose of Distemper, Adeno, Parainfluenza, Parvovirus (DAPP) vaccine as certified by a licensed doctor of veterinary medicine. A dog subject to this paragraph shall be isolated in
