Welcome to the Companion Events Extravaganza!

Thank you for joining us for the 20th annual AKC National Obedience Championship (NOC) and the inaugural AKC Rally® National Championship. You have worked hard to meet the qualifications; we congratulate you and are pleased to welcome you and your dogs to these prestigious events.

The National Obedience Championship (NOC) and Rally National Championship (RNC) are part of a larger event the AKC has named the "Extravaganza." These events are being held in conjunction with the National Agility Championship (NAC). In total, the Extravaganza has attracted more than 2,000 dogs to compete for the highest honors in their sports. Please take the time to visit and appreciate the outstanding dogs and owners participating in each of these events.

For the NOC, thousands of competitors have exhibited throughout the year in order to achieve top ranking for their breed in order to qualify for this event. The field has been narrowed to the top-ranking dogs in each breed, the top 25 dogs overall based on Obedience Trial Champion (OTCH) points and the Regional Qualifier winners. 127 teams will compete during the weekend for the honor of being named the AKC National Obedience Champion!

The Rally National Championship will consist of four rally classes of competition – Novice, Advanced, Excellent and Rally Advanced Excellent. Dogs have qualified to enter the event by earning titles and high scores. 251 teams will compete in this inaugural championship that will culminate with the winner of the RAE class being named the first AKC Rally® National Champion!

Special appreciation goes to our sponsors J & J Dog Supplies and Clean Run. Please take a moment to visit their booths and express your appreciation to their representatives. The AKC also expresses its appreciation to the over 60 volunteers that have offered their time and expertise to make this event a success. Without them, an event of this size would not be possible.

The thirteen championship judges have been selected for their experience and sound judgment. The AKC thanks them for the time they have committed to these events and their dedication to the sports we all enjoy so much.

All of us in Companion Events wish all of you the best of luck over the next three days and thank you for being here. Remember to enjoy each other's company, the company of your dog and to enjoy the Extravaganza!

Sincerely,

INAUGURAL

AKC RALLY® NATIONAL CHAMPIONSHIP

FRIDAY

MARCH 28, 2014

2014 AKC RALLY® NATIONAL CHAMPIONSHIP JUDGE

BOB BURGIN

CEDAR RAPIDS, IOWA

I have been active in the sport of dog obedience since 1996 and became an obedience judge in 2005. I got started in obedience, because my wife was already showing a dog in obedience and she thought it would be a good idea for me to get a dog to train. Actually, this was after I tried to tell her what she should be doing with her dog as she was training.

I was very fortunate to be able to put a UDX and OTCH on my first dog. I now have a dog which I have put both a TD and TDX on and am working on getting his VST and getting him in the obedience ring. I have also helped in the training and showing of two other dogs.

I have helped with training classes for both obedience and rally and participated in fun matches for the Iowa City Dog Obedience Club. I enjoy judging and seeing all the dog and handler teams doing their work.

My favorite experience came while I was judging a 4-H show. A young boy was in my ring and it came time for the stand for exam. The boy left his dog and I started to approach his dog; that is when the boy said, “I wouldn’t do that if I were you.” I stopped in my tracks and asked him, “Why? Would his dog bite?” and he replied with, “No, but he will move.” I have shared that story with many and I chuckle every time.

I enjoy seeing all ages of people participating in this sport and always hope I can be an encouragement to everyone that enters my ring.

2014 AKC RALLY® NATIONAL CHAMPIONSHIP JUDGE

CATHY CABELLERO

FT. WORTH, TEXAS

I cannot remember a time when my family did not include a dog! My interest in obedience started in 2005 when my husband and I adopted two Labrador puppies from the Heart of Texas Labrador Rescue. I had the privilege of studying under Joyce Morgan in Austin, TX, who mentored and encouraged me along the way. I quickly was bitten by the "show bug" and started competing in rally and obedience in 2006. I was asked by Joyce Morgan to teach at her training center after completing some titles with my Novice A dog. I continue to teach and love every minute of it!

Many friends I met along the way encouraged me to become a judge. I thought that was the best way I could give back to the sport which has given me so much joy, friendships, and most importantly, a better relationship with my dogs. This past year I retired Dora CDX RAE CGC, and I continue to compete in obedience, agility, dock diving, and field training with my Novice A dog, Olive UDX2 OM1 RAE2 AX MXJ OF. I also started my newest dog, Apollo 25 BN RN, a Miniature Pinscher, off on his obedience journey this past December.

I am currently a member of the DFW Labrador Retriever Club, serving as Obedience Chair from 2012-present and Vice President for 2013-2014. In any spare time I have left, I enjoy trail riding with my 12 year old paint horse, Genna!

2014 AKC RALLY® NATIONAL CHAMPIONSHIP JUDGE

DONNA EDDINS

BARTLETT, TENNESSEE

At the age of twelve I began training and competing with a Miniature Dachshund, forty-two years later, I'm more involved than ever in this great sport. My interest in breeds has varied over the years amongst dogs of all sizes. One of my proudest accomplishments is the three OTCH titles I have earned with a Pomeranian and two Miniature Poodles. I've competed and earned titles in obedience, agility, and conformation. Approval for my Novice obedience judging license came in 2011. My rally judging license came in 2012. Currently, I am a provisional judge for Open in obedience. I was thrilled when I heard AKC would be offering this rally championship because of the excitement it builds within the sport. It is an honor to be a part of this event as a judge and I look forward to returning next year as an exhibitor.

2014 AKC RALLY® NATIONAL CHAMPIONSHIP JUDGE

RUTHANN MCCAULLEY

SIERRA VISTA, ARIZONA

I was raised in a dog loving family that spent many weekends attending dog shows. I was about 13 when I decided I wanted to own and show dogs. I entered my first dog show in the late 1960's showing a Pekingese in conformation. When not showing I would sneak off and watch obedience.

I always wanted to continue to compete in conformation and start obedience, but after college, marriage, and family, even though we always had two or three dogs, life didn't give me the opportunity. In 2000 my husband had retired, our daughter was away at school, we had a new puppy and opportunity called. My goal was to earn a UD! There was an obedience instructor in town and I signed up for his classes. The classes were aimed at "pet owners" but the instructor had done competitive obedience and didn't mind helping me pursue my goal – even though I was working with a Chihuahua. Delia didn't earn her UD but she was able to finish her CDX, RA, NAP and NJP before she was retired. She is now 14 and still loves to "train for treats" and tag along to dog shows where she "critiques" performances from her crate when I show Wally, my Australian Terrier, in rally, obedience and agility. Currently he is working on his UD and has six RAE legs. We recently started to trial in Barn Hunt.

I was introduced to rally in December 2000 during one of the obedience classes. I loved it immediately, but after two "lessons" the instructor moved on to other things, leaving me with Bud Kramer's book, Rally-O, and a desire to learn more about this sport. I loved practicing the "doodles" and

playing with course design. I joined the Yahoo Rally Obedience list in 2001 to learn more about this new sport.

I started teaching weekly rally classes in 2004 and began competing and judging AKC Rally® in 2005. I encouraged my AKC club to offer rally in addition to obedience at their trials. As a 4-H dog project leader I introduced rally to 4-H groups in Cochise County.

In 2006 I wrote Doodle By Design, an e-book on rally especially for owners who had to train alone. In 2012 I began a total rewrite of the book, now called Rally All Around. It was released in late April 2013. I also write two monthly columns for Front and Finish, Western Wishes reports owners' brags and SerpenTEAM features special rally teams.

As a member of Greater Sierra Vista Kennel Club I serve as Obedience and Rally Chair as well as Newsletter Editor and am a former Board member. I still teach my weekly rally class and am a CGC Evaluator.

I was honored to be on the 2010 AKC Rally Advisory Committee and am very honored to judge at the first AKC Rally National Championship.

2014 AKC RALLY® NATIONAL CHAMPIONSHIP JUDGE

BEA MOORE

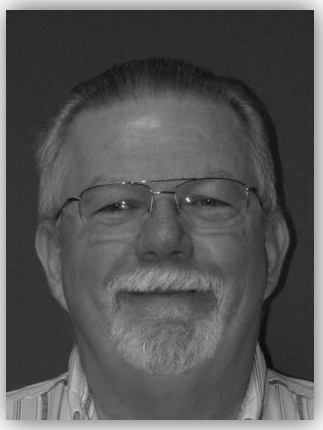
SAN JOSE, CALIFORNIA

Bea has been involved with training dogs since 1984. She has trained three dogs to a UD title, earned many rally titles, put Champion Tracker titles on two dogs, and earned agility titles, field titles, and CGC/TDI certificates. Her current dog, TJ, recently earned his CDX title. He is also involved in rally, tracking, agility, field, and conformation.

Bea has been an obedience trainer since 1998 and a rally trainer since April 2003. Her tracking experience began in 1994. She is a trainer for three Dog Training Clubs in the San Francisco Bay Area and was a member of AKC Rally Advisory Committee in 2006. She is the author of several AKC rally books for trainers and judges, and has written and directed an AKC rally DVD.

Bea's "K-9 Rally" business, located in San Jose, CA is directed toward AKC rally. Bea plans and organizes free training sessions most Fridays for students and friends. She is currently an AKC obedience Provisional Open Judge and an AKC Rally Judge.

2014 AKC RALLY® NATIONAL CHAMPIONSHIP JUDGE



BOB WITHERS

LAKELAND, FLORIDA

My first introduction to rally was at a local trial where there was a ring setup after the show to demonstrate/try rally. I could not figure out how you were supposed to read the signs and be able to do the exercises.

I was introduced into the competition dog training world by attending classes with my wife while she was training her dog and training and showing dogs for others. I asked if I could train and show one of the client dogs, the owner agreed and I was bitten by the dog show bug right away. After titling my first couple of dogs I began teaching basic obedience classes to general public.

I was asked to put together a training program in 2003 to introduce Rally-O at our training facility and see if there was any interest; there was, as I soon had three classes each week filled with students.

In 2004 at an AKC Obedience Judges seminar part of the program was devoted to judging non-regular AKC Rally® as it was to become a titling class Jan. 1, 2005. The attendees were asked the question if anyone who was not currently a judge would be interested in applying to be a Rally Judge. Many of the attendees at the seminar were students and they all thought that I should apply; that started my judging career.

My first assignment was outdoors in early January of 2005 at a large all breed show. With no experience in putting on a rally trial, the Superintendent scheduled rally “to follow” the obedience trial. I only had about 80 dogs, all Novice of course, but we started at about 3:00 p.m. and in the winter, Florida darkness happens close to 5:00 p.m. so we finished the trial by having the exhibitors pull their cars up around the ring with their headlights on to provide light.

My early competition years were great fun as my wife was always one of my great competitors, we trained our Shelties very hard, I had a little advantage using my dog for demonstrations at classes but my wife’s dog was much faster so even with perfect scores I would usually lose on time.

I was very happy to serve as a member of the Rally Advisory Committee in 2010 and I am very proud to have been selected to Judge the first AKC Rally® National Championship.

I have so enjoyed judging rally over the years that I decided to complete the requirements and now judge all levels of obedience also.

Good luck to all of you that have worked so hard to be eligible to compete this year and congratulations to the team that becomes the first Rally National Champion.

2014 AKC RALLY® NATIONAL CHAMPIONSHIP JUDGE

KAREN WREY

STORMVILLE, NEW YORK

I'm thrilled to have been invited to Judge the AKC Rally National Championship this year. I've been an elementary school teacher for 40 years, and I feel that my experiences with children and their families have been an asset in both training dogs and in judging rally. I see myself as a patient and fair person.

Although I've had dogs, cats and rabbits (and even a prairie dog) my whole life, it wasn't until 2001 that I became active in AKC events. As you know, the love of dogs can expand one's social life. I jumped right into the world of training, teaching, seminars, stewarding, and dog clubs. I especially enjoyed rally and became a judge in October 2007. Rally became one of my favorite hobbies since it was the kind of obedience my then exuberant Doberman Pinscher enjoyed the most. The variety of courses and the ability to praise and talk to my dog, was far "safer" than the regular obedience ring where his zoomies were known to happen. Max easily earned his RE and did go on to get his CDX too. Max was trained through Utility, but sadly passed at an early age.

Over that last decade, I've been active in several kennel clubs and held board positions and offices as well. For more than five years I was the President of the Doberman Pinscher Club of the Tappan Zee. I'm still an active member and obedience chair. I was the Secretary and Obedience Class Coordinator/Instructor for the Taconic Hills Kennel Club, where I was also privileged to work with the Westchester County 4-H, Canine Kids program. I'm currently a member of the Obedience Stewards club; Companion Dog Training Club

in Newburgh, NY; The Obedience Dog Training Club of Waterbury in Oxford, CT; The Portchester Obedience Training Club in White Plains, NY; The Saw Mill River; and Putnam Kennel
Clubs. I enjoy collaboration with all these groups where I sit on the Boards and hold Offices from time to time. I've worked as Obedience Chair, Trophy Chair, Rally Chair, Steward, and Match Chair. I'm a CGC evaluator, and I have two registered Therapy Dogs. I embrace volunteering and encourage others to do so as well. Our sport depends on it.

Currently my life is blessed with three beautiful Doberman Pinschers. My first conformation champion, Desi, completed her UD title in November 2013. I'm presently training her daughter, Freida, and her aunt Arrow RE, CDX. I'm in the process of studying the Obedience Regs and plan to apply to judge Novice in the Spring. When not working, training or attending club meetings/functions, I enjoy dog training, designing rally courses, reading, scrapbooking and RV-ing with my husband. Life is good!

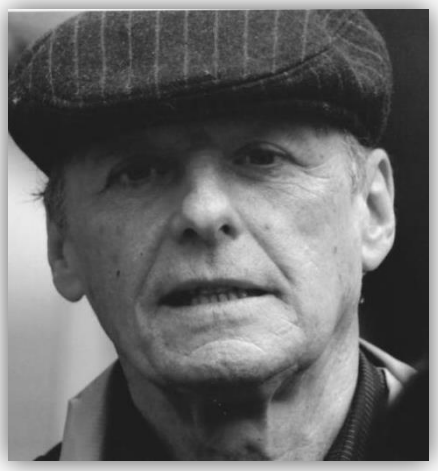
2014 AKC NATIONAL OBEDIENCE CHAMPIONSHIP JUDGE

BOB AMEN

STAMFORD, CONNECTICUT



In the last three decades, Bob has trained and exhibited in obedience, conformation and lure coursing, and worked in agility with his Australian Shepherds, Golden Retrievers and an Afghan Hound. He has had three Aussies and a Golden Retriever achieve an OTCH title; and one of the Australian Shepherd OTCH dogs was also a conformation champion. Bob has qualified for the NOI/NOC for the past ten years, seven of them with his Aussies. His involvement with Australian Shepherds includes serving on the board of directors of the United States Australian Shepherd Association (USASA), and Obedience Editor for the USASA "Journal."

He is the AKC Delegate for the Port Chester Obedience Training Club, where he previously served as Director, Obedience Training, and as a member of the board of directors. Bob also served on the delegate's Standing Committee on Companion Events, before being elected to the AKC Board.

Bob has been on the editorial board, and a contributor to Front and Finish magazine and AKC Family Dog magazine. One of his major articles won him a Maxwell Award from the Dog Writers Association of America in 2013.

Bob is also a member of the AKC Board of Directors, and chairs its audit committee.

2014 AKC NATIONAL OBEDIENCE CHAMPIONSHIP JUDGE

SHIRLEE JACOBSON

INDIANOLA, IOWA

The sport of obedience began for me when I took an uncontrollable Dachshund to the Des Moines Obedience Training Club's (DMOTC) beginning obedience classes in 1967. This dog eventually obtained a CDX, but not easily. I joined the DMOTC in 1968 and have been an active member ever since. I am also a member of the Des Moines Kennel Club, American Belgian Tervuren Club, ASSA, I'm a charter member of the Des Moines Shetland Sheepdog Club and currently serving as the Corresponding Secretary.

I purchased my first Sheltie in 1969 and this has been my breed of choice up to and including the present. I did put a Championship, UDX and Novice Agility titles on my Belgian Tervuren. I also put a UDX on my daughter's Belgian Tervuren and a UD on a Keeshond. But most of my obedience training has been with Shelties. I have shown in both rings and have finished several Champions as well as twelve UD's, eight UDX's and seven OTCH's and several agility titles.

I am currently showing a 5 year old Sheltie in Open and Utility. He finished his OTCH in July and I will continue to show him as long as we both are able.

I began judging in 1975. Judging has given me many opportunities to travel and meet some wonderful exhibitors and club volunteers. I enjoy judging and look forward to each assignment, but my first love is exhibiting.

It is my privilege and honor to judge for the AKC's National Obedience Championship. I wish every exhibitor good luck.

2014 AKC NATIONAL OBEDIENCE CHAMPIONSHIP JUDGE

CAROL ANN KLEIN

MIAMI SHORES, FLORIDA

In 1982, Carol Ann's husband, Les, wanted a dog. They found a Dachshund, and she has been showing in obedience and conformation ever since. Dachshunds have owned her for 30+ years and she has loved every minute of it. She started judging obedience in 1997, rally since its origin in 2005, and Dachshunds in 2011. She has enjoyed every judging assignment she has ever had and plans to continue to do so for many years to come.

Les and Carol Ann have been married for 42 years and live in Miami Shores, Florida with three incorrigible, improbable, implacable, and adorable Miniature Dachshunds, as well as four rescue cats who rule the roost. Along with membership in three Dachshund clubs, she has been a member of the Miami Obedience Club since 1982, where she has held numerous positions and taught obedience and conformation. More recently, she has joined the Dog Obedience Club of Hollywood where she teaches obedience.

Her newest Dachshund, Mr. Watson, earned his Grand Championship in December 2013 and received a Certificate of Excellence at Eukanuba 2013. He has now left the conformation ring for the "real" rings—Obedience, Rally, and Agility.

She feels greatly honored to have been asked to judge obedience at the 2014 National Obedience Championship and wishes the best of luck to all exhibitors.

2014 AKC NATIONAL OBEDIENCE CHAMPIONSHIP JUDGE

CATHRYN KNIGHT

TRENTON, SOUTH CAROLINA

My involvement in dog training began when I married into a dog showing family in 1970. Having grown up an asthmatic child, I had to overcome my fear of dogs. I attended my first obedience class sometime in 1971 with the Dauphin Dog Training Club in this very building. My mother-in-law, Elizabeth Knight, gave me a Miniature Schnauzer puppy, Willie, who became my first UD dog around 1975.

In 1981, Bob and I started our boarding and training business, Shadowbrook Kennels, turning our hobby into a way to make a living. There is no better teacher than training and showing clients dogs.

Obedience has always been what I enjoy doing the most with my dogs, but I have titled dogs in conformation, agility and tracking. Both my OTCH dogs were also conformation champions and had tracking titles.

After selling our business in Upstate New York, we retired to South Carolina and decided it was time to give back to the sport that gave us a living and the enjoyment of making many friends throughout the country, so we began judging. I truly enjoy being on the other side of the pencil.

I am honored to be judging the National Obedience Championship. I know my mentor and mother-in-law, Elizabeth Knight, would be pleased that we are here.

2014 AKC NATIONAL OBEDIENCE CHAMPIONSHIP JUDGE

ROBERT KNIGHT

TRENTON, SOUTH CAROLINA

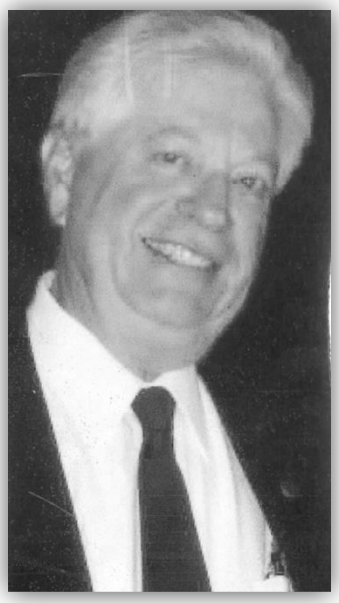
Having grown up in a dog showing family, I don't recall many days where dog training and showing were not part of my life. My mother, Elizabeth Knight, began training and showing in the early 1950's, ending her judging career in 2007. I began my competitive showing career in this very location in 1971, training with the Dauphin Dog Training Club. It is a great privilege to return 43 years later to judge the 2014 AKC National Obedience Championship.

My academic and professional relocations allowed Cathy and me to meet and train with some of the great dog trainers of the past in our sport. For Cathy and me, our obsession with dog training and showing became a vocation and for many years we had the opportunity to train and title many different breeds, the majority being client's dogs.

I am currently showing and competing with a Standard Schnauzer, CH OTCH Shana's Iceman UDX3 OM4. Had I not been invited to judge, I would be here competing with "Ice." Ice is my fifth OTCH Standard Schnauzer. There have been 14 OTCH Standard Schnauzers in our sport. Cathy and I have finished seven of the 14. At this stage of my life, I can only see Standard Schnauzers sharing the pillow in my bed.

It is an honor to be invited to judge the 2014 AKC National Obedience Championship and to ponder great memories and see old friends; best of luck to everyone.

2014 AKC NATIONAL OBEDIENCE CHAMPIONSHIP JUDGE



LARRY WARSOFF

CHATSWORTH, CALIFORNIA

Larry was introduced to AKC Obedience in 1970 when he attended an obedience class with his first German Shepherd Dog. The class was instructed by AKC judge Shirley Indelicato who encouraged him to train, exhibit, steward and judge. He earned titles on his very special German Shepherd Dog Thor and later on two Golden Retrievers.

Larry was approved to judge in 1980 and spent eight enjoyable years judging some very fine dogs.

In 1988 Larry was offered and accepted a position with the American Kennel Club as a member of its Executive Field Staff, in the then Obedience Department, as an Obedience Field Representative. Larry retired in 2012 after 24 years of attending obedience and rally trails, and presenting seminars. The highlights of his AKC career included the development of the NOI event, rally, the outstanding fellow employees that he worked with, and the opportunity to meet and interact with the obedience and rally fancy.

After retiring as a Field Representative Larry returned to judging and is honored to have been invited to judge at this years' National Obedience Championship.

Larry wishes every exhibitor a very successful and enjoyable weekend. To his former colleagues, he hopes that they have fun, reasonably short days and a stress free event.

Increase revenue by giving your exhibitors the freedom to enter at the last minute, the flexibility to pay with a credit card, and the convenience of quick and efficient online entry.

ShowEntries.Info

We will tailor a SmartEntry[SM] form specifically for your club, trial date, and classes offered. You can include match, catalog and lunch preorders if you wish.

Exhibitors LOVE this system – read what they have to say:

I love entering online (without an extra charge!) because it is soooo easy! No envelopes to address or stamp, no entries to print out, just a few clicks and I'm entered. It's easy for me to put off putting an entry in the mail, and then usually end up doing it last minute and keeping my fingers crossed it gets there on time, but your system is so simple I often make the entry when I first get your email that the trial has opened.
--DS

I love it when I see a club is using ShowEntries! It is easy, fast and love to pay with paypal. The email comes right back with your entry information and you know your entry was received.
--AS

I like to enter online because I know the entry has been received before the show closes.
--SY

... I wish more clubs would make this wonderful service available!
--BP

Special limited time offer - 15% discount on setup.

Alicia and Jury

Invite the other contestants to join them

in dedicating their performances to those

handlers and dogs

who may not have had the best healing,

fronts and finishes,

but their outstanding obedience, especially

with the use of their nose in finding IED's

and the enemy,

caused them to make the ultimate sacrifice

for us.

THEY WERE TRUE CHAMPIONS.
