Each year, AKC honors the Top Dogs of each breed with a Special Award of Merit based on the end-of-year rankings (January-December) shown on the following pages.

The ranking statistics are reported using the following score formula, (double Q's x 10) + MACH points. Example 1,100 MACH points + (40 Double Q's x 10) would equal a score of 1,500 points. This score is used to announce the Top MACH dog for the year and to award special Award of Merit certificates to the top dogs for each breed annually. The lifetime statistics will continue to be ranked by Title/Points/2Q's as in the past.

We are looking forward to another exciting year of Agility in 2026. Congratulations to all of our exhibitors for their many accomplishments in 2025.

Douglas Hurley
AKC Director of Agility
