

The American Kennel Club® (AKC®) is a not-for-profit organization established in 1884 to promote the study, breeding, exhibiting, and advancement of purebred dogs. Together with our clubs and affiliates, AKC works to advance the health and wellbeing of all dogs, protect the rights of dog owners, and promote responsible dog ownership. We represent nearly 5,000 dog clubs nationally, including **8 clubs in the state of Wyoming.**

The AKC sanctions over 28,000 dog events each year, which generate significant economic benefits to local communities in addition to the millions of dollars AKC dog owners in Wyoming spend annually on their dogs.

DISASTER RELIEF TRAILER DONATIONS

AKC Pet Disaster Relief is a lifesaving program in which AKC Reunite® partners with AKC clubs to donate trailers stocked with equipment to help create a safe, temporary shelter for at least 65 pets before, during, and after a disaster is declared. The trailer's crates and generator can be set up as co-location shelters, where owners can evacuate with their pets, as well as emergency animal shelters for displaced animals.

\$2.15 million

economic benefit of dog show weekend

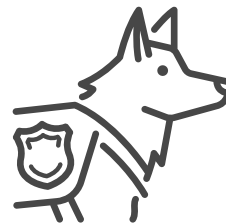

Surveys demonstrate that exhibitors at AKC conformation dog shows spend an average of **\$982 per show weekend**. This means spending by AKC dog show exhibitors for a show weekend could inject more than \$2.15 million into the local economy. And because AKC dog shows are an educational and family-friendly event, large spectator gates can generate additional revenues for cities and towns statewide.

SUPPORTING CANINE HEALTH RESEARCH

The AKC Canine Health Foundation® (CHF) has invested nearly **\$85K in canine health research** with **University of Wyoming** institutions to support immunology and infectious disease in dogs. **A current grant** studies the cause and mechanisms of canine dysautonomia, an emerging disease. CHF prioritizes a One Health and comparative medicine research approach to diagnose and treat health conditions that affect both ends of the leash while advancing canine health for all dogs.
