

# **The AKC Scent Work Advisory Committee**

The SW Advisory Committee provides input to the AKC Performance Events Department regarding the Scent Work Regulations. This may involve clarification of existing Regulations or new Regulations that are felt to enhance the sport. Topics for Advisory Committee discussion may originate from participants or from the Committee members themselves. The Performance Events Department may also direct ideas to the Committee for consideration.

The Performance Events Department values the input of the Advisory Committee but is under no obligation to agree or act upon their suggestions. The Department may also, on occasion, act without Committee input.

## **Members of the Scent Work Advisory Committee:**

### **Region North**

Lori Kobayashi, MD

[vfrgrl@gmail.com](mailto:vfrgrl@gmail.com)

### **Region South**

Silke Satzinger, VA
