July 2026

Welcome to the 2026 AKC National Obedience Championship!

The AKC National Obedience Championship is the premier obedience event of the year, bringing together Obedience Trial Champions and OTCH-pointed dogs from across the country. This year, 141 exceptional teams representing 42 breeds from 33 states have traveled to Wilmington, Ohio, to showcase the skill, dedication, and partnership that define the sport of obedience.

Each team has earned the opportunity to compete among the nation's best, and we are honored to celebrate your remarkable accomplishments.

The competition begins with the first round, where teams will vie for Group placements and a coveted spot among the Top 50 competitors advancing to the following morning's competition. There, the Top 50 teams will compete for a place among the Top 20. On the final day of competition, the Top 20 teams will return to the ring for an exciting final round, competing for the title of 2026 National Obedience Champion, as well as the 1st, 2nd, and 3rd Runner-Up placements and recognition among the Top Ten Teams.

As you step into the ring, we encourage you to savor every moment-celebrate the journey that brought you here, support your fellow competitors, and take pride in the remarkable partnership you share with your dog. While only one team will earn the title of National Champion, every team competing this week represents the very best of our sport.

On behalf of all of us at the American Kennel Club, thank you to our exhibitors, volunteers, judges, and supporting clubs whose dedication makes this extraordinary event possible. We are delighted to welcome you to Wilmington and grateful for the sportsmanship, friendships, and memories that continue to make this championship such a special tradition.

As we also celebrate 90 years of AKC Obedience, we thank you for being part of this milestone event.

Best wishes for a successful and memorable competition—and remember, at the end of the day, the bond you share with your dog is already a victory!!

AKC National Obedience Judges

Ms. Deborah Addicoat Carnation, WA

Debbie's first leap into performance events was with a Pembroke Welsh Corgi, Lucy. Shortly after she came into her life, she joined the Cascade Pembroke Welsh Corgi Club. Together they began exploring Rally, which naturally led into Obedience. Agility and Herding soon followed, and later in her life, Nose Work.

Lucy and Debbie participated in the first Rally training class offered in the Seattle area, and in 2005 became one of the first teams in Washington State to earn the RAE (Rally Advanced Excellent) title.

Training Lucy introduced Debbie to the world of Rally. From there her passion expanded into Obedience, and with the Shetland Sheepdogs who followed, GloryB and Chev, she earned multiple Obedience and Rally titles across several levels. Each dog has shaped her understanding of teamwork, precision, and joy in the sport. Together they have defined her journey as a trainer, exhibitor, and judge.

Debbie has been judging since 2014. Today her time is divided between judging, teaching, and presenting the occasional seminar.

It's a huge honor to be part of the judging panel at the NOC this year.

Ms. Ronnie Bizer Maple Park, IL

Training dogs has been part of Ronnie Bizer's life for over 40 years. She has trained Golden Retrievers, Rottweilers, Labrador Retrievers, a Papillon, a Siberian Husky, a Rough Collie, a Brittany and an English Springer Spaniel. Ronnie and her dogs enjoy the following AKC sports: Agility, Conformation, Fast CAT, Obedience, Rally, and Tracking. In those four plus decades, they have earned multiple titles, including 22 Obedience Utility Dog titles.

As a believer in the saying "Obedience is a great sport from both sides of the clipboard," Ronnie also has been an AKC judge for over 20 years. She enjoys the camaraderie of fellow exhibitors and judges and is grateful to the AKC for providing the canine activities we all enjoy, including the NOC. She wishes the best of luck to the exhibitors – and knows that each will go home with the best dog!!

"Be an Encourager: When you encourage others, you boost their self-esteem, enhance their self-confidence, make them work harder, lift their spirits and make them successful in their endeavors.
Encouragement goes straight to the heart and is always available. Be an encourager. Always."

— Roy T. Bennett, The Light in the Heart

AKC National Obedience Judges, cont'd.

Mr. David Brobst Glen Allen, VA

Dave's first dog was a female Collie but as a young kid, he insisted that she be named Laddy. Laddy would follow him everywhere, even when he would ride his bike; what a great dog. While in graduate school, Dave had Miniature Schnauzers and even had one litter which was one too many. Since 1985 he has trained Norwich Terriers. They have earned many Obedience, Rally, and Agility titles. While working with his first Norwich in Utility, what he thought was a very good run at an outside trial ended up getting a 169 ½. Needless to say, he almost quit but did not and went on to get a UD. Dave has taught many levels of obedience and Rally at their local dog club, helped organize Obedience and Rally run throughs, supporting his wife as the trial secretary for his local club for their Rally and Obedience trials. Before Covid, Dave's wife and he would take their Norwich to a local Nursing Home for therapy visits. The residents really loved his dogs. They would call BINGO every week. (If he did not bring his Norwich the residents would not be happy). Every time before the next game he would say "Clear your cards and everybody plays", his Norwich would put his paws on the arm of the chair indicating he wanted his treat NOW! All the residents would yell in unison, "Feed the Dog"! They have again started calling BINGO with their younger Norwich. Dave is an AKC Rally Judge and an AKC Obedience Judge. He was honored to judge the Rally Nationals in Tulsa, OK, to judge the AKC Classic in Orlando, FL., and asked to judge the Obedience NOC. He is currently having fun with his Norwich training in Obedience and Tracking. Dogs are so much fun and during his training he always says that "If it was easy, everybody would do it." Good Luck to everyone!

Mr. Joseph Caputa Ellendale, DE

Like many people, Joe has had dogs in his life since childhood. He got involved in the sport of purebred dogs in 1979. His breed of choice has been, and remains, the GSD.

When he joined the GSDC of Wisconsin in 1979 he was fortunate enough to have the support of some great people in both breed and obedience. After several years of competing successfully in both venues, he realized his true passion was in the obedience ring.

He has had several great dogs over the years and put obedience titles on every one of them. He has had the pleasure of campaigning dogs to breed champion as well as obedience champion. He has had the honor of having one of his dogs qualify to compete in the National Obedience Championship in 2009 & 2010.

He decided to make the move to judging around 2005 and became a provisional obedience judge in 2007. He completed his provisional Utility in Sept. of 2014. Although he has only been judging a short time, he has had the privilege of being invited to judge at the Classic as well as the National Obedience Championship. It has been a way for him to give back to a sport that has been an important part of his life. He has met some wonderful people both as a competitor and a judge and hopes to continue enjoying the sport on both sides of the clipboard for many more years.

AKC National Obedience Judges, cont'd.

Mr. Frank Cardillino Easton, MD

A retired engineer, Frank has been in the sport of purebred dogs since 1972 with Afghan Hounds, Weimaraners, Dobermans and then Portuguese Water Dogs. He has owned and continues to own Portuguese Water Dogs and has been a member of the Portuguese Water Dog Club of America since 1993.

In 1972, his first dog was a beautiful Afghan Hound. It soon became apparent that some form of obedience training was necessary. After attending a few private obedience sessions, the instructors explained that there was competition obedience for those that wanted to continue beyond the basic instruction that they were providing. Once he entered into the world of obedience trials, he was hooked.

The experience of exhibiting in Conformation, Agility, Portuguese Water Trials and Obedience over the past 2 decades, has prepared him to become an AKC obedience judge. Judging obedience trials is a commitment to the sport at the highest level and a way to help continue the tradition of obedience training and trialing. As an obedience judge, he has the opportunity to see the best of the best in Obedience competition as well as help guide the new exhibitors into this rewarding and fun sport.

He has been an Obedience instructor for two clubs, have served as the training director for Salisbury Maryland KC, in addition to Obedience Trial Chair for the Portuguese Water Club National and Salisbury Maryland KC. He is a current member of Salisbury Maryland Kennel Club.

Ms. Elizabeth Chase Belchertown, MA

As a child, Tibby wanted a Welsh Pony. Her sensible parents gave her a Welsh Corgi. That first corgi all those years ago was her first HIT dog. She has been involved with dogs, dog training and Corgis ever since. While obedience is her first love, she trains and shows dogs in rally, agility, herding, tracking, scentwork, conformation and therapy work.

She has taught dog training classes for over 40 years, been a 4H leader, therapy dog trainer and participant. She started judging AKC obedience in 1990 and Rally in 2006. She loves both venues and sees them as a wonderful way to promote communication and teamwork with your dog.

She has been privileged to judge Obedience several times at the annual AKC Classic and looks forward to judging at the NOC. It is always fun and challenging to judge competitors who are passionate about the sport of obedience. Best of luck to all competitors.

AKC National Obedience Judges, cont'd.

Mr. Thomas B. Igiel Grand Island, NY

Thom Igiel has been showing dogs for over 35 years in both the United States and Canada. He has also been judging obedience for the past 25 years.

Thom is a member of Western Lakes Training Club of Buffalo where he actively trains and teaches obedience. Showing dogs in the Igiel household is a family affair, Thom always says our dogs are family pets first and show dogs second. Thom and his daughter Jazzlyn often show together, doing not only Obedience but Agility & Rally Obedience as well.

The Igiel household has two Yellow Labradors, Lager who is Seven and Bourbon who is Three. Lager has various Agility Masters & Excellent titles and has recently completed both UD & Preferred UD titles. Lager is currently working on his UDX title and hopes to earn his title by year end. Bourbon has completed all of his various novice titles and both his Rally Novice & intermediate titles and is currently entered to show in Grad Novice. Bourbon hopes to earn both his Grad Novice & CDX titles this year. While Thom has never done any field work, he is looking to begin later this year with Bourbon.

Thom began judging obedience when he was in between dogs at the urging of some of his fellow competitors. He found it a great way to stay "in the ring" while not having a dog to actively show. Thom moved through the ranks under the mentorship of the late William (Bill) Thayne, who was the regional AKC Obedience representative for many years. Thom was also influenced, inspired and helped along the way by a number of fellow judges and is very grateful for the help he has received and friendships he has made over the years.

Thom has said he is "honored and privileged" to be judging the AKC National Obedience Championship and is looking forward to the event.

Mrs. Carol Mett-Trumbly Savannah, GA

Carol was introduced to the obedience world when she took her daughter's new unruly Labrador puppy to the training school in the park. Molly went from a totally obnoxious typical lab to a titled CD in 9 months. This was the beginning of a new venue of a lifetime hobby with dogs. Carol has owned a boarding, grooming, daycare and training complex for 50 years that she closed in 2025. She has taught and handled all levels of obedience, rally, agility, conformation, retriever trials, and scent work. She has handled Labradors, Golden Retrievers, Dalmatians, Poodles, Gordon Setters, and Pumik.

She began judging in 1999 with her husband, Jon Mett, who passed away in 2015. He was a great judge and exceptional mentor while moving up through judging levels.

Carol is now married to a dog loving Oklahoma man. They met when she judged his obedience trial 8 years ago. They are presently training and showing, Carol's black lab Doc and Raymond's field bred English Cocker, Buoy in obedience and hunt test. Carol also has a 7-week-old lab puppy, Ty, that is in potty training classes.

Carol truly loves the competitors and their dogs while working with them on both sides of the clip board. Carol is honored to have been invited to judge the NOC. Best of luck to everyone, be safe and have fun.

“At the peak of tremendous and victorious effort... while the blood is pounding in your head, all suddenly becomes quiet within you. Everything seems clearer and brighter than before, as if great spotlights had been turned on. At that moment you have the conviction that you contain all the power in the world, that you have wings. There is no more precious moment in life than this, the white moment, and you will work very hard for years just to taste it again.”

Yuri Vlasov, Soviet Olympic weightlifter

AMERICAN
KENNEL CLUB®

AKC® Code of Sportsmanship and Civility

Preface: The tradition of competitive purebred dog events predates 1884—the year the American Kennel Club (AKC®) was founded. Those involved in these sports share core values, including a strong commitment to sportsmanship and a welcoming, respectful culture that embraces the diverse community united by a love of dogs.

These values are evident across all aspects of the sport: conformation, performance, companion, and family dog activities. Many believe that the enduring principles of sportsmanship and civility are key reasons the sport has thrived for over 140 years.

Recognizing that periodically reaffirming our shared values strengthens our community, the revised code will be shared widely to highlight the foundational values and principles that define the sport.

- Sportspeople always place the welfare of their dog above all else.
- Sportspeople prioritize the long-term health and preservation of their breed, making decisions that reflect a deep commitment to responsible breeding and ownership.
- Sportspeople respect the history, traditions and integrity of the sport of purebred dogs.
- Sportspeople conduct themselves in a manner that reflects positively on the sport, the American Kennel Club, and themselves.
- Sportspeople appreciate, encourage and support all who associate with and participate in the sports by fostering an environment where respect, equity, inclusion, and courtesy are foundational.
- Sportspeople understand, uphold and abide by all AKC bylaws, rules, regulations and policies.
- Sportspeople contribute to a positive atmosphere at events by avoiding negative gossip, disparagement, or unsportsmanlike behavior.
- Sportspeople extend their values of civility, fairness, and respect to all digital and social media platforms.
- Sportspeople actively support the education and mentorship of newcomers, helping them learn the rules, values, and traditions of the sport in a respectful way.
- Sportspeople recognize that they are role models in the sport, and strive to lead by example through humility, kindness, and ethical conduct.
- Sportspeople treat fellow exhibitors, judges, officials, volunteers, spectators, and AKC staff with dignity and respect, regardless of experience, background, or differences in opinion.
- Sportspeople are committed to fair play, honesty, courtesy, and competition, approaching both winning and losing with grace.
- Sportspeople understand that strong competition and civility can—and should—coexist. They appreciate the quality of their competitors, and the effort put forth by others.
- Sportspeople uphold their responsibilities to the sport of purebred dogs and refuse to let personal gain or self-interest influence their decisions or behavior.
- The sportsperson judges only on the merits of the dogs and considers no other factors.
- The sportsperson judge or exhibitor accepts constructive criticism.
- The sportsperson exhibitor declines to enter or exhibit under a judge where it might reasonably appear that the judge's placements could be based on something other than the merits of the dogs.
- The sportsperson exhibitor refuses to compromise the impartiality of a judge.
- Sportspeople are willing to share honest and open appraisals of both the strengths and weaknesses of their breeding stock.
- Sportspeople decline to exploit any positions of authority or recognition for personal advantage.
- Sportspeople appreciate those that have gone before them and realize they are responsible for maintaining and enhancing the sport for future generations.
