July 2026

Welcome to the 2026 AKC Rally® National Championship!

Now in its 13th year, the AKC Rally® National Championship continues to grow as a vibrant celebration of teamwork, precision, and the joy of working in partnership with our dogs. This year, we are proud to welcome 662 outstanding teams representing over 100 breeds from 44 states and Canada, all gathered in Wilmington, Ohio, to compete for the title of 2026 AKC Rally® National Champion, to be awarded at the conclusion of competition on Sunday.

This year also marks a special milestone—**AKC Rally® celebrates its 21st anniversary**—a testament to the sport’s enduring popularity, spirited energy, and the strong bonds it fosters between dogs and handlers. From the first step into the ring to the final run, this event showcases the connection, confidence, and communication that define Rally. It is a sport filled with energy, enthusiasm, and—at times—a little bit of delightful unpredictability that reminds us why we love it so much.

We encourage you to embrace every moment of this championship. Cheer each other on, celebrate the successes both big and small, and take pride in the journey that brought you here. While only one team will earn the National Champion title, every competitor represents the very best of Rally—and every partnership in this ring is something truly special.

At the end of the day, you still take home the greatest prize of all: the incredible bond you share with your dog (who, as we all know, may occasionally believe they are the one in charge).

On behalf of everyone at the American Kennel Club, we extend our sincere thanks to our exhibitors, judges, volunteers, and supporting clubs whose dedication and passion make this extraordinary event possible. Your enthusiasm, sportsmanship, and love for the sport continue to make this championship a truly memorable experience year after year.

We are delighted to welcome you to the Roberts Centre in Wilmington and look forward to the friendships, performances, and moments that will make this event unforgettable.

Best of luck to all competitors—have fun, shine in the ring, and remember: the bond you share with your dog makes you a champion every single day.

AKC Rally® National Championship Judges

Ms. Janice D. Anthes
Cedar Crest, NM

It all started 40 years ago when Janice's husband said if you want a dog you need to take it to school. So, she and a Sheltie puppy named Misty trotted off to school and discovered the fun of training. Since then, Janice has trained 8 dogs to the UD Title, including 3 Shetland Sheepdogs and 5 Flat-Coated Retrievers as well as a Golden Retriever to a CD who retired early for health reasons. Topper is currently working on his Rally RACH, if his handler (me) would stop making mistakes in Masters and the youngster Buzz is enjoying Rally Novice.

In 1990 during a lapse in having a dog to show, Janice discovered the joy of obedience judging and has been judging ever since. Currently, Janice teaches obedience classes for her local dog training club, Sandia Dog Obedience Club and judges all levels of AKC Obedience and Rally.

Until she retired in 2010, Janice's other life involved working in the high performance computing arena where her last job was to lead the deployment of one of the largest super computers in the world at the University of Texas at Austin. Janice has a MS degree in Computer Science from UNM and worked in the computer field for 21 years for Control Data Systems and later Sun Microsystems.

Janice is now enjoying retirement and the additional training and judging time it affords. With more time on her hands, she discovered new fulfillment in doing Therapy Dog work with Topper at the Albuquerque Sunport and Physical Therapy places. Janice currently resides in Cedar Crest, New Mexico which is in the beautiful mountains just east of Albuquerque.

Mrs. Joanie Brobst
Glen Allen, VA

When growing up in Williamsburg, VA, Joanie's family always had a Collie or Sheltie. Her Mother had a great idea to send one of the Collies, "Rocky", to doggie "College" and he came back quite trained but that lasted for about a week. Since 1985 she has attempted to train Norwich Terriers. After her first CD, she was so traumatized, she stopped for 6 years. Then she heard about Canine Freestyle and thought her second Norwich, JT, and she would give it a try. In their first recital, she thought they did an excellent job with freestyling to "Yellow Submarine" but did not think the judges agreed. JT and Joanie won first place at their second recital with "Yakety Sax" and really enjoyed themselves. Thus, she was back into training again. Since then, Joanie and her Norwich Terriers have earned Obedience (2CD's, 2CDX's, a UD, a VER, and even earned an HIT), Agility (PACH, PAX, MXP4, MXPB, MJP5, MJPS, MFP, T2BP, OA, OAJ), Rally (RACH, RM3, RAE3, RC), CGC, Therapy and Trick titles. Several years ago, her Norwich, Zilly, earned a Rally RAE title which was the first Norwich to earn that title. Then in 2023, Chip and Joanie were the first Norwich team to earn a RACH. She has been a member of Richmond Dog Obedience Club in Richmond, Virginia for over 35 years. There she has been in various classes, has taught dog obedience and rally classes, has been trial secretary for many trials, and a member of the demo team where she and her Norwich Terriers visited various nursing homes and establishments. She is an AKC Rally judge and was honored to judge the Rally Nationals in Tulsa, OK in 2019 and again

honored to be in Ohio for the RNC this year. Through these activities and most important, the bonds with her dogs and relationships with so many wonderful friends are immeasurable. The fun continues with her youngest Norwich, Chip, who is working on his UD. Good Luck to everyone!

AKC Rally® National Championship Judges, cont'd.

Mrs. Nanci Hayes Casco, ME

Nanci has had Dalmatians her entire life starting with her grandparents. Over the years she has owned 7 Dalmatians of which 6 have earned their CD, 2 have earned their CDX and 1 Dalmatian – Blizzard that inspired her to become a rally and obedience judge. When rally was introduced, she began teaching rally in 2005. She also competed in rally with 3 of her Dalmatians. She has been judging rally since 2011, novice obedience since 2013 and became a utility obedience judge in 2023.

Her last 5 Dalmatians were all therapy dogs. When living in North Conway, NH she was involved with members of the ACTS service dogs. They would make year-round visits to nursing homes and hospitals. The dogs as well as the residents looked forward to those visits. The residents had their favorites. Having Dalmatians, they could not skip many visits without the residents asking where they were.

She has lived in North Conway, NH since 1978. Since 1984 she owned a real estate appraisal business known as Yankee Appraisals. The 4-legged bosses were always on the job with her. Since 1988, her husband Bill and she have owned a camp on Sebago Lake in Maine. This is now considered their retirement home in the summer. Swimming and boat rides as well as basking in the sun on the dock have been a favorite for her as well as all the dogs and company that visit. Over the years they have had family in Florida. Since 2023 they can be found swimming and basking in the sun in Florida during the winter months.

Nanci was absolutely humbled to be asked to judge the AKC Rally National Championship. She says it is such a great honor to watch the number of phenomenal teams perform. Good luck to all. Most of all enjoy the experience.

Mr. Richard J. Lewis Selah, WA

Richard Lewis lives in Eastern Washington state in the town of Selah. He grew up on the island of Maui in Hawaii. He graduated from the University of Oregon in 1971. Richard's past occupations include time spent as a schoolteacher, employment with the Bureau of Land Management in Alaska, and 18 years as a stockbroker in Yakima.

He purchased his first pure bred dog, a Belgian Tervuren, in Fairbanks, Alaska in 1976. He has owned a number of Tervuren since then. All have earned obedience or rally titles. He recently added a new breed, Welsh Springer Spaniel, to his household.

Richard became a conformation judge in 2001 and an obedience judge in 2004. He has judged both obedience and breed for Belgian Tervuren national specialties.

His first Tervuren, Ch. Achates Esprit de Joie, CD, was the number 1 Belgian Tervuren in the United States in 1979. Achates sired Ch. Corsair's Beaujangles, the all-time number 1 Belgian Tervuren and the first dog of any breed to win the herding group at the Westminster Kennel Club show. One of his Tervuren, Ch. Richelieu's Exeter D'Allante, UD earned his Utility title around 1999.

Richard was approved to judge novice obedience in 2004. Richard began judging rally obedience when the AKC introduced this event to the sport around 2005. In addition to judging obedience and rally, Richard is approved to judge the Sporting, Hound, Working, and Herding groups.

Mrs. Celest Meade Maurer **Bedford, NH**

Celeste Meade Maurer has had a lifelong career and love of dogs and AKC Dog showing. She started in 1976 showing in conformation with her Siberian Huskies and from there went on to Bloodhounds where she was awarded Breeder of Merit producing over 30 Champions, Specialty winners and with them she started her very successful career in obedience. She also has shown and handled over 50 dogs to their breed Championships.

But celeste takes most pride though the success of her countless students. With her Attitude is Everything training program, her students have obtained over 60 200's, 60 OTCH's and numerous UD's with over 500 HITs, HCs and multiple top dog wins! She loves making great teams and seeing others win! She is always readily sharing advice to everyone! Truly loves the sport of dogs!

Celeste's love of dogs and dog sports just didn't stop there. She always wanted to have the best dog friendly facility. She wanted to share her dreams and share her love of many dog sports with other people in hopes to expand their relationships with their pets and enjoy the world of dog sports. In 2003 Celeste's dream came true and she opened one of the nation's largest canine training, boarding, daycare and event centers, AMERICAN K9 COUNTRY in Amherst, NH. They host 50 weekends of agility and obedience events and seminars which keeps Celeste and her staff busy.

Celeste's love of dogs and training led her to become one of the countries' most respected judges. She always wanted to give back to the sport, and she takes great pride in being a very fair and knowledge judge. She even admits to loving judging as much as showing which is great for the dog world! She and her husband, David Maurer travel throughout the United States judging both in Obedience and Rally.

Ms. Laura Rixham **Medford Lakes, NJ**

Laura Rixham was introduced to the world of competitive dog sports through 4H. She trained the family's Labrador Retriever in obedience, tricks and showed him as a Junior Handler. As an adult, Laura and her husband moved frequently with the US Army and she decided that a Dachshund would be a perfect fit. She and Kiwi participated in a basic obedience class and Kiwi was awarded "Top Puppy." The pair went on to earn a Companion Dog title and participated in early Rally Exhibitions and matches.

Laura knew Kiwi could not be replaced but wanted to stay in the hound group. She quickly realized that a Whippet would be her next dog. Rascal also known as the "Bestest Boy" was her first competition Rally dog. Together they earned a RACH, CDX and GO titles. Rascal was the first Whippet to earn the new Rally Choice title. The team competed 3 times at the Rally National Championship and in 2021 earned 4th place in the Master Class. At 12 years old, Rascal is now semi-retired but is always the first one at the door when the training bag comes out! The next Whippet to join Laura's crew was Jack. He was her first dog to be invited to Rally Nationals and in 2020 he earned the event's Top Whippet Award. Jack has earned obedience and rally titles and now at 10 years old is enjoying Scentwork. Molly is the youngest member of the pack. Laura picked her as a puppy but never intended to take her home. However, she named her and months later the breeder contacted her and asked if she wanted to co-own her.

Together Molly and Laura earned a conformation Grand Championship, finished Best of Breed as an Owner Handler. Laura also fulfilled a lifelong dream and showed Molly in breed at Westminster Kennel Club in 2022. At the 2023 RNC Molly earned 9th Place in the Intermediate Class. Most recently, Molly earned her RACH and is working on a CDX.

Laura sends best wishes to all the teams... the best dog is the one beside you!

Mrs. Mary Jane Shervais Cheney, WA

Mary Jane Shervais has been an approved judge for the American Kennel Club since 1993 and has enjoyed judging widely throughout the United States and Canada and has been honored to judge for national AKC competitions. In addition to judging all levels of Obedience and Rally, she has also been approved to judge all levels of Scent Work. During a varied professional life that has spanned service as an officer in the United States Marine Corps, as a Licensed Veterinary Technician managing a progressive veterinary hospital in Northern Virginia, and currently as the Director of Music at her church in Cheney, Washington, Mary Jane has pursued her passion for Golden Retrievers, and for the AKC sports. In addition to membership in the Golden Retriever Club of America, Mary Jane has taken active roles in local area clubs. While residing in Virginia, she joined the Potomac Valley Golden Retriever Club where she filled various officer positions and also became a member of the Mount Vernon Dog Training Club, where she trained, instructed, and served as the Director of Training. She was a founding member of both the golden retriever rescue club G.R.R.E.A.T., and while living in Illinois, of the Golden Retriever Club of Greater St. Louis. Mary Jane has continued to work with area clubs in Washington State, serving as President and Show Chair for the Inland Empire Golden Retriever Club, and President, Director of Training, and instructor for the Spokane Dog Training Club, as well as the Obedience/Rally Chairperson for the Spokane Kennel Club. Mary Jane is totally committed to furthering the AKC sports. It is her personal goal to help local Obedience, Rally, and Scent Work programs flourish, providing all participants with opportunities to experience satisfaction and success. To that end, Mary Jane has been instrumental in developing programs designed to encourage fun while building focus, connection, and teamwork with our dogs as we train, work, and show. Always eager to include new ideas and training skills in the classes, it is her desire to provide every dog owner with the tools to create a close relationship with their dog, filled with love, joy, and success.

Mr. Barry Rowland Ellenwood, GA

Barry purchased a Saint Bernard puppy for Judy fifty-two years ago for Christmas. He decided he would need to go to Obedience school and that is when he realized he liked to train dogs. Over the years they have added many Saints and Portuguese Water Dogs to their family to show in all types of competitions. He loves showing that a Saint can compete in Obedience and Rally and has earned a HIT at an all-breed show and 17 HITs at Saint Nationals along with many placements in Rally and Obedience. Barry became an Obedience Judge in 1993 and a Rally Judge in 2007 and has had the pleasure of judging all across the country. By the time Rally was approved by the AKC, Barry had judged several exhibition matches at AKC Obedience Trials and was told by Rep. Roger Ayers to apply to judge. Over the years, Barry has designed hundreds of courses for Rally with the hope that they would be fun and challenging. Judging and showing in Obedience and Rally at AKC Trials has been one of Barry's most cherished activities and he hopes to be able to continue for many years. Fifteen years ago, he started volunteering with a K-9 Search and Rescue team. When the President of the team died, Barry inherited his two German Shepherds, which enabled the younger of the two to continue her work. She experienced many successful searches over the nine years Barry trained and worked with her in trailing and cadaver work. She retired at age thirteen and died at age fifteen. Six years ago, he inherited two more dogs from a teammate, one of which he continues to work and train in trailing and the other as a cadaver dog. This activity is very demanding and requires a lot of training to gain the certifications necessary to assist local Law Enforcement. The most rewarding part of this activity is helping families gain closure.

The 2026 RNC will be the second time he has been honored to judge at this prestigious event and wishes all the participants great success.

Walk and Show within the GROUP you were assigned to. Moving you to a different Group can create chaos in other rings that you are scheduled in. Request to move you up or down within your assigned GROUP may be accommodated. However, not before the dogs on deck run.

The schedule was carefully configured. However, judging times and absentees will vary and may cause conflicts. Remain vigilant, pay attention to where you need to go next. National competitions are fast paced, exciting events that will test your exhibitor savviness. Enjoy the rush of the experience. Above all, we expect each of you to always demonstrate the best in sportsmanship under all conditions and remember, in the end you still get to take the BEST DOG HOME, so have fun!

ATTENTION exhibitors with multiple dogs entered in multiple classes:

- Walkthrough times have been staggered to allow you to attend all walkthroughs.
- Be mindful of scheduled walkthrough times for each of your rings both days. We strongly suggest you make yourself a schedule list, so you know where to go when. If you are not sure, PLEASE see an AKC Representative on Check-In Day and we will help you figure it out.

IT'S NOT ABOUT A TROPHY, A PLACING OR A PRIZE.
IT'S ABOUT SETTING GOALS AND SURPASSING THEM.
IT'S ABOUT DISCIPLINE, DEDICATION, WILLPOWER, REACHING DEEP DOWN AND FINDING
INNER STRENGTH THAT YOU DIDN'T EVEN KNOW YOU HAD.
IT'S ABOUT STRUCTURE AND PUTTING IN THE WORK AND FOLLOWING THE PLAN.
IT'S A SCIENCE AND I'M A LIVING EXPERIMENT.
IT'S ABOUT BEING BETTER THAN MY FORMER "BEST" AND PROVING TO MYSELF THAT I CAN ACHIEVE
THIS.
THAT'S WHY I DO IT AND THAT'S WHAT IT'S ALL ABOUT.

"Nothing in the world can take the place of Persistence. Talent will not; nothing is more common than unsuccessful men with talent. Genius will not; unrewarded genius is almost a proverb. Education will not; the world is full of educated derelicts. The slogan 'Press On' has solved and always will solve the problems of the human race."

—Calvin Coolidge

“It is not the critic who counts, not the man who points out how the strong man stumbles or where the doer of deeds could have done better. The credit belongs to the man who is actually **in the arena**, whose face is marred by dust and sweat and blood, who strives valiantly, who errs and comes up short again and again, because there is no effort without error or shortcoming, but who knows the great enthusiasms, the great devotions, who spends himself in a worthy cause; who, at the best, knows, in the end, the triumph of high achievement, and who, at the worst, if he fails, at least he fails while daring greatly, so that his place shall never be with those cold and timid souls who knew neither victory nor defeat.”

AMERICAN
KENNEL CLUB

AKC® Code of Sportsmanship and Civility

Preface: The tradition of competitive purebred dog events predates 1884—the year the American Kennel Club (AKC®) was founded. Those involved in these sports share core values, including a strong commitment to sportsmanship and a welcoming, respectful culture that embraces the diverse community united by a love of dogs.

These values are evident across all aspects of the sport: conformation, performance, companion, and family dog activities. Many believe that the enduring principles of sportsmanship and civility are key reasons the sport has thrived for over 140 years.

Recognizing that periodically reaffirming our shared values strengthens our community, the revised code will be shared widely to highlight the foundational values and principles that define the sport.

- Sportspeople always place the welfare of their dog above all else.
- Sportspeople prioritize the long-term health and preservation of their breed, making decisions that reflect a deep commitment to responsible breeding and ownership.
- Sportspeople respect the history, traditions and integrity of the sport of purebred dogs.
- Sportspeople conduct themselves in a manner that reflects positively on the sport, the American Kennel Club, and themselves.
- Sportspeople appreciate, encourage and support all who associate with and participate in the sports by fostering an environment where respect, equity, inclusion, and courtesy are foundational.
- Sportspeople understand, uphold and abide by all AKC bylaws, rules, regulations and policies.
- Sportspeople contribute to a positive atmosphere at events by avoiding negative gossip, disparagement, or unsportsmanlike behavior.
- Sportspeople extend their values of civility, fairness, and respect to all digital and social media platforms.
- Sportspeople actively support the education and mentorship of newcomers, helping them learn the rules, values, and traditions of the sport in a respectful way.
- Sportspeople recognize that they are role models in the sport, and strive to lead by example through humility, kindness, and ethical conduct.
- Sportspeople treat fellow exhibitors, judges, officials, volunteers, spectators, and AKC staff with dignity and respect, regardless of experience, background, or differences in opinion.
- Sportspeople are committed to fair play, honesty, courtesy, and competition, approaching both winning and losing with grace.
- Sportspeople understand that strong competition and civility can—and should—coexist. They appreciate the quality of their competitors, and the effort put forth by others.
- Sportspeople uphold their responsibilities to the sport of purebred dogs and refuse to let personal gain or self-interest influence their decisions or behavior.
- The sportsperson judges only on the merits of the dogs and considers no other factors.
- The sportsperson judge or exhibitor accepts constructive criticism.
- The sportsperson exhibitor declines to enter or exhibit under a judge where it might reasonably appear that the judge's placements could be based on something other than the merits of the dogs.
- The sportsperson exhibitor refuses to compromise the impartiality of a judge.
- Sportspeople are willing to share honest and open appraisals of both the strengths and weaknesses of their breeding stock.
- Sportspeople decline to exploit any positions of authority or recognition for personal advantage.
- Sportspeople appreciate those that have gone before them and realize they are responsible for maintaining and enhancing the sport for future generations.
